Expert Systems in Economics, Banking, and Management L. F. Pau (... et al.),1989 Highlighted in this volume are the state of the art applications and research in expert systems and natural language interfaces in the fields of banking economics financial services insurance business management manufacturing management accounting and other public private services Specific methodologies covered include organisational aspects database interfaces and A I software development management The book includes extensive and structured surveys of world wide projects and applications and an evaluation and comparison of expert system tools for these application fields *Kiplinger's Personal Finance* ,1994-01 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Country Life in America** ,1912 *Flight* ,1918 **Popular Science Monthly** ,1929 *The Popular Science Monthly* ,1929 **The Independent** ,1910 **Hearings** United States. Congress. House. Committee on Science and Astronautics,1972 *Welding Engineer* ,1929 **Sustainable Logistics** Wolf-Rüdiger Bretzke,Karim Barkawi,2012-12-14 Currently the notion of sustainability is used in an inflationary manner Therefore the authors start with a definition which is stable to serve as an anchor for further research as well as for discussions among scientists managers and politicians ideally across different disciplines The character of this book is purely conceptual The argumentation is based on comparison of new and demanding requisites with existing models process and network architectures in the field of logistics Formerly neglected impacts on the environment will be included Main features of a new approach will be developed which are capable to avoid these impacts and to align logistics with the requirements of sustainability In order to make logistics sustainable large parts will have to be reinvented The focus needs to be on decoupling transportation activities from economic growth rates *The New York Times Index* ,1927 **U.S. News & World Report** ,1995 **Industrial & Mining Standard** ,1912
