Filmmaking For Dummies Bryan Michael Stoller, 2003-08-08

Film is a powerful medium. Successful filmmakers possess the passion to visually tell a story that will affect people's emotions, make them see things differently, help them discover new ideas, or just create an escape for them. Whether you love the experience of being enthralled by movies or the excitement, challenge, and magic of making the movie yourself, *Filmmaking For Dummies* is your primer to creating a respectable product. For the seasoned professional, this friendly reference can inspire you with fresh ideas before you embark on your next big flick. Get ready to roll with expert information on:

- Defining the difference between independent and studio films
- Knowing what genre fits your fancy
- Finding perfect locations
- Storyboarding your film
- Directing the action
- Giving credit and titles

Written from the author's 30 years of hands-on work as a writer, producer, and film director, *Filmmaking For Dummies* carries you through from screenplay to distribution with lots of experience-packed insight into:

- Writing or finding a screenplay
- Raising financing for your film
- Budgeting and scheduling your film
- Hiring the right actors and crew
- Planning shooting and directing your film
- Putting your film together in the editing room
- Finding a distributor to get your film in front of an audience
- Entering and maybe even winning film festivals

Taking into account the advent of digital technology, author Bryan Michael Stoller focuses on creative elements that apply to both film and video production. He also points out technical differences and notes the many similarities between traditional and newer-age making of motion pictures, all in a fun and engaging way that'll have you shooting for the stars.

Learn Like a Lobster Sarah Ellis, Helen Tupper, 2026-02-24

An empowering guide to career growth that reveals how to be more lobster—to never stop learning and pave the way to a meaningful working life. In today's working world, careers are characterized by change. You can take control of your own development at any time, but many of us don't, as we feel held back by time, money, or imposter syndrome. Careers used to be linear and ladder-like. They were about following in other people's footsteps and focused on getting to the top. This predictable approach to careers no longer fits, and it doesn't reflect people's reality or their individuality. Enter the lobster, which never stops growing. Inspired by the lobster superstar career coaches Helen Tupper and Sarah Ellis, show you how to achieve a meaningful and motivating career. Ask questions, experiment every day, and increase your impact. Grow in hard moments, take in feedback, and adapt to new circumstances. And create your own opportunities to grow. By learning like a lobster, you will find the path to level up.
