Sexy Curves Tammy Warnock, 2015-08-11 Boudoir photographs are intimate images created of a woman in a private, read, intimate space. The term boudoir, in translation, means bedroom, and images created in the boudoir style, whether they are indeed created in a woman's boudoir or in a makeshift bedroom within the walls of a photographic studio, are strictly feminine. The subjects may be adorned in fine lingerie or perhaps may be shown in the act of dressing or undressing. The images are sensual, flirty, and always beautiful. Clients book boudoir sessions to celebrate their sensuality and femininity. For some, the goal is to document a special phase in life or simply to find a new way to see herself. Other women seek to book a boudoir session with the goal of providing a significant other with a highly personal and perhaps playful gift. Regardless of her motivation, her expectation is that her photographer will be able to amplify her assets, minimize any perceived figure flaws, and create a beautiful, evocative work of art. In order to meet and exceed her client's expectations, photographers must have a wealth of technical knowledge, just which camera angles, exposure settings, lens selections, and lighting patterns will create the desired look, and a facility with coaxing, flattering poses that lengthen legs, whittle waistlines, enhance the bust, and somehow look and feel natural, not contrived. The expression that is elicited must suit the mood of the image, too. And of course, there are fragile egos at play.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
