REDUCING BODY INFLAMMATION IN THREE SIMPLE STEPS Most people don't know what a body inflammation is and how dangerous it can be. Very often people come to the doctor when the stage of inflammation has already started and is about to cause some serious health problems. What causes inflammation? The Nr 1 factor that causes inflammation is the fuel of our body FOOD that we eat every day. The solution you'll find right in this book. After 15 years of experience and practice in the health and nutrition field I decided to create a guide that will allow people to change their perception about useless weight loss diets and teach how to cut the deep roots of bad eating habits and treat the real cause of lifestyle diseases and obesity. Here is just a short brief of this book: Correlation between nutrition and mental health. Natural ways to lose weight fast. Healthy eating habits you must apply to your diet. 50 anti-inflammatory foods you should have in your diet. Delicious anti-inflammatory diets, recipes for breakfast, lunch, and dinner. Recipes to heal your immune system. And so much more. How much weight can one expect to lose by following this diet? The answer to this question is simple. You can lose as much weight as you want, but this book is created to teach people how to achieve their natural weight range according to their health condition. I have shared in this book all my knowledge on how to naturally fix the body inflammation. Your clients will love this book. It not only gives a ready-made meal plan and tasty recipes to get started, but it will also teach them the principles of healthy eating so that they can easily stay on track and never get misled in this complicated world of health and wellness.
