

2023-2026 STRATEGIC PLAN

ENGAGEMENT

Promoting the collaboration and inclusion of all constituents to solve problems, build networks and foster partnerships.

ADVOCACY

Advancing the issues of business practice, social justice, climate action and public safety facing California's building professions through legislation and regulation.

EDUCATION

Fostering the career growth and professional development for a diverse community of students, design and architectural professionals.

INNOVATION

Expanding the use of technology, material resources and partnerships necessary for California's resilient, healthy, and equitable future.

CULTURE

Promoting and ensuring accountability for the creation of diverse, equitable and inclusive practice communities in which all contributions are valued.

INITIATIVES

1. Grow the belief in the value of architects to the planning, design and construction process, encompassing communities who are marginalized or under-represented.
2. Build awareness and a support system for K-12 education while also supporting educational pedagogy and programs that promote architecture as a profession to foster a diverse pipeline.
3. Reinforce AIA's value proposition for members through advocacy, access to resources, and educational content that directly responds to their needs.

INITIATIVES

1. Drive climate action responses at a variety of scales, including those readily achieved by local jurisdictions and regions.
2. Proactively champion the practice of architecture through changes that occur in the regulatory environment.
3. Empower members for active participation in the political process around social equity in the built environment, such as housing, homelessness, and social design.

INITIATIVES

1. Develop educational programs for California that foster knowledge-based architects who thrive as professionals.
2. Advocate for the integration of environmental stewardship in education, from K-12 to degree programs.
3. Strengthen Commitment to Social Justice: Expand the profession's commitment to learning about the impact of design on social justice.

INITIATIVES

1. Provide a forum for architects to explore practice innovations, building and materials science and construction methodologies including emerging technologies.
2. Cultivate partnerships to foster the exchange of new ideas and paradigms, and promote new research in business practice, design and construction.
3. Provide leadership in the development of innovative policy, design and community building actions that address the link between architecture and social justice.

INITIATIVES

1. Establish the profession as leading a process to help solve the challenges of society through the inclusion of diverse and varied perspectives and ideas.
2. Advocate for practice environments profession-wide that value the intelligence and life-experience of stakeholders and contributors.
3. Cultivate leaders who are essential and trusted advisors to the industry, profession and general public.

Mission: AIA California is dedicated to serving its members, and uniting all architecture professionals in the design of a more just, equitable and resilient future through advocacy, education and political action.

Vision: To harness the transformative power of architecture and design to address the greatest economic, environmental and social challenges of our time.
