What's your sport?

We asked three teenagers to tell us about their favourite sport and their sporting achievements.

Tennis has been my favourite sport for a long time. I started playing tennis when I was six. My parents thought I had talent, so they arranged for me to have lessons after school. When I was twelve, I entered my first competition. I didn't win my matches, but I kept trying. Last year, I became the junior tennis champion for my area. I was amazed – and my mum and dad were very proud! **Aliyah**

I've always loved football. Mum says that my first word was 'ball'. I was two when I started playing football in the garden with my brother. When I got older, I played football with my friends in the park. I've been a member of the school football club for four years and last year I became the captain of my team. It's my job to lead the team and help everyone to play their best. The coach says that I do my job really well. **Oliver**

I didn't like sport as a young child, but when I was ten, my mum and dad took me on a skiing holiday in Switzerland. I tried skiing and I loved it straight away! When we got home, I wanted to continue skiing. There aren't many mountains for skiing in Britain so my parents took me to a dry ski slope. Since then, I've practised every week. Six months ago, I entered my first competition and came second. **Beth**
