Servants of God, Slaves of the Church Lisa Kaaren Bailey, 2026-03-15 In *Servants of God Slaves of the Church* Lisa Kaaren Bailey uncovers the surprising intimacy between sacred devotion and coerced labor in early medieval Europe From queens who scrubbed monastery floors to enslaved women forced into lifelong service acts of humility and acts of subjugation often looked the same and were interpreted through the same religious lens Drawing from sermons letters miracle stories and hagiographies Bailey shows how metaphors of service shaped not only elite piety but also the lived experience of those at the very bottom of the social order This is a story of lives that were often absent from the historical record those who lit church lamps laundered liturgical linens and sustained Christian worship through their unseen labor Bailey weaves together theology cultural history and feminist historiography to trace how Christian ideas about virtue sin and the will both justified unfreedom and offered tools to contest it Her use of critical fabulation animates the archive without fictionalizing it allowing glimpses of agency in places where it was rarely recorded By placing the metaphor of service alongside its social reality *Servants of God Slaves of the Church* reshapes how we think about labor power and religious meaning in the centuries after Rome A deeply informed work of both historical scholarship and moral insight this book gives voice to the voiceless and demands a reconsideration of what it meant to serve God
