

You were the shadow to my light
Did you feel us?
Another star, You fade away
Afraid our aim is out of sight
Wanna see us, Alight
Where are you now?
Was it all in my fantasy?
Were you only imaginary?
Atlantis, Under the sea
Another dream
The monster's running wild inside of me
I'm faded. So lost, I'm faded
These shallow waters
Never met what I needed
I'm letting go a deeper dive
Eternal silence of the sea
I'm breathing alive
Where are you now?
Under the bright but faded lights
You've set my heart on fire

The Man who lived the Ages Umair Siddiqui,2020-03-11 One day I was crossing the road on foot On my journey I found a graffiti made on the wall with Chalk It said One day you will tell your story to the world and when it happens you will draw a part of change in people s life I desire that The Man who lived the Ages becomes that story A story about a person s life experiences which he got in a short period of time and to which you can connect somehow An autobiographical fiction that leads to channelize reality and imagination on the same broadcast telling you that Experiences does not demand years they are learnt through hardships P S I found none of those Graffiti but that is what makes us a writer Do read the story of the world where you will find an intriguing environment friendship mystery love suspense and even a war A journey from how exciting it is to even get a name to how devastating it is when people forget your identity And how thrilling it could be to get everything back
