This book invites readers to engage with the rich and complex debates of contemporary English education outlining new possibilities to revive the teaching of English Bringing together diverse voices and insights from educators in English across the primary secondary further and higher education phases the book offers reflections and critical engagement with the lived experiences of English teachers and pupils in contemporary educational spaces Each chapter includes example vignettes from classrooms which tell something of the story of English teaching today The book considers how politics and policy have worked to close the opportunities of the English classroom for self expression and critical engagement with the world a murder The authors then offer an exploration of the opportunities for a re imagining of English the murmurs of teachers and pupils that resist such closures The chapters explore new thinking new practices and new possibilities for English classrooms as inclusive emancipatory critical and creative spaces Offering a thoughtful and hopeful dialogue from practising English teacher researchers the book will be essential reading for researchers and students of English language and literature education as well as trainee teachers of English **The Lost Girls: Why a feminist revolution in education benefits everyone** Charlotte Woolley, 2020-03-20

Life for girls is a battle of contrasting expectations being told you should be empowered but also be a good girl putting others first but still striving for perfection yourself This conflict internalizing expectations of an impossible standard has led to an explosion in mental health and anxiety related disorders in young women The traditional narrative of education feeds the perception that girls are good They achieve work hard are cooperative They achieve better grades But where do these high achievers disappear to They aren't becoming CEOs politicians or social leaders Women are still disproportionately the family carers and domestic managers This book explores research

around biological difference and how our schools encode gendered expectations how our curricula can provide role models as well as modes of thinking valuing traditionally feminine traits as equal to masculine using psychological approaches to develop girls independence how school systems and leadership can model approaches to encourage all students to create a gender balanced environment With practical questions and suggestions at the end of each chapter this book is a guide to the research and a tool to help teachers and leaders shape a genuinely empowering school experience for young women
