Are We Living in the End Times? Dr Robert Jeffress, 2023-12-05 [Are We Living in the End Times?](#) Tim LaHaye, Jerry B. Jenkins, 1999 The authors of the Left Behind series explore specific evidence from Scripture motivating the reader to draw closer to God and share the truths of the Bible with others Biblical Studies

Are We Living in the Time of the End? United Church of God, 2010-09-16 What does Bible prophecy tell us about the time of the end Are we living in the end time When will be the end of the world For thousands of years people have been fascinated with predictions of the end of the world If we look into the inspired writings of the biblical prophets and apostles we find many prophecies that refer to the time of the end Should we take them seriously Are world conditions such that these prophecies could be fulfilled in our day Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared unless those days were shortened Matthew 24 22 Did He have our time in mind Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God s direct intervention in human affairs These terrifying prophecies will see their fulfillment at some future time The crucial question is when This eye opening Bible study aid booklet Are We Living in the Time of the End examines exactly what Jesus His apostles and the biblical prophets really said about the intriguing days they referred to as the time of the end You need this vital information Chapters in this ebook Are We Living in the Time of the End What Is the Time of the End A World in Perpetual Crisis Noah and Our Time A Sobering Parallel The End of the Age The Time of the End The End of What Biblical Terms for the Coming End of Man s Age Jesus Christ s Olivet Prophecy Where Are We Now Did Jesus Christ Foretell Devastating Storms This Generation Will Not Pass The End Time in the Book of Revelation The Population Explosion and Prophecy God s Framework for End Time Prophecy Preparing for the End Time What Can You Do Inside this Bible Study Aid ebook But we should remember that Jesus made it clear that no one could know the exact time of His return Of that day and hour no one knows not even the angels of heaven but My Father only Matthew 24 36 Some think

the subject of the end time in the Bible is mainly confined to the New Testament But beginning in Genesis the first book of the Bible the Scriptures look beyond our present evil age to the time of the establishing of God s Kingdom Old Testament scriptures have much to say about events that take place during the end of this age and the following world to come When Scripture mentions the time of the end or the end of the age it is referring to the coming end of the present evil age This age in reality the age of Satan will draw to an end replaced by the age of God s rule over and guidance of all of humanity Revelation is a book written to reveal the future and Jesus Christ is the One who does the revealing Here is the theme of Revelation the time of the end of the age and the return of Jesus Christ to establish God s Kingdom on earth How should we view prophecy Can it provide spiritual benefits The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future 2 Peter 1 19 [Are We Living In The End Times](#) Don Nicely,2024-02-09 Are we living in the end times that are described in the book of Revelation The end times truly started in the beginning of New Testament after Jesus revealed himself to the world But in these modern days of 2024 we re still in the end times Now I presume since you bought this book that you re wanting to know whether we are at the end of the end times and how close are we to the coming of the return of Jesus as it was set forth in the book of Revelation I actually have another book in this series that discusses when Jesus will actually come back Now throughout all of our Christian history believers have speculated that the prophesied End Times were just about to start Some audacious ones have even set specific dates and times for his return Several years ago for example a certain radio preacher had people talking about his declaration that the present world order would end in May of 2011 When that did not happen he revised his prediction forward a few months to October By the way he had earlier set 1994 as the year when End Times would arrive Award winning inspirational author Don Nicely through this book cleans up all the clutter that is out there about the end times and when the actual return of Jesus will be Yes there are specific signs that we can read that Jesus himself gave us to enlighten his people to his actual return and how it would actually take place People predicting End Times dates usually focus on things like wars increasing wickedness and natural disasters They talk about bad things like the increased fierceness of storms through what is now called climate change as well as the surge of killer viruses severe famines and droughts and escalating tensions between nations The problem is these things have all been around all through human history So what is the true signs of the End Times One of the big questions in understanding and interpreting the book of Revelation is tied to when it was written What should Christians be doing to get ready for the cataclysmic events preceding the end of the Age and the Second Coming of Christ Given the current state of affairs in the world Unfortunately some are selling their homes moving to remote desert or mountain locations stockpiling food buying weapons and ammunition the list goes on and on Is that the right thing to do Are we really supposed to run and hide as things get worse Or should we stay where we are and continue to minister to the people around us The Bible clearly instructs us to be vigilant That means to stay awake But it also teaches that no one can say for certain that we are living in end of the

end times Fortunately the apostle Peter gives us a straightforward answer to this question And this book will give you the answers that you are searching for Peter writing specifically with reference to the end of the age when he said the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Just what does that mean Author Don Nicely addresses this verse with a whole chapter to give you exactly what Peter meant Peter does not suggest that believers head for the hills and adopt a fortress mentality and start stockpiling food and weapons Instead he asks Since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat II Peter 3 10 12 You really need to get a copy of *Are We In The End Times Today* *Fifty Signs of the End Times* David Scott Nichols MD,2016-01-14 The world is on an inexorable path toward the apocalypse currently exhibiting many of the Bibles prophesied signs of the end times When the Jews regained nationhood in May 1948 the countdown began toward the promised return of the Messiah In *Fifty Signs of the End Times* compelling new information is shared demonstrating that the end time clock is nearing midnight including How the alignment of the nations soon to come against Israel is exactly as prophesied in the Bible The many ways that God has honored His promise to richly bless Israel in the latter days including the discovery of new energy sources Recent and detailed information concerning the coming Tribulation Temple Amazing accounts demonstrating how God is pouring out His Spirit in these latter days How God has miraculously protected Israel in its recent wars Revealing how twelve of Christs prophecies in His Olivet Discourse have come true in our time Dr David Nichols explains these intriguing signs and dozens more in meticulous detail We are fast approaching Armageddon However this need not cause alarm God has provided an escape I have well over fifty prophecy volumes in my library and can honestly say that none display more of the detailed and accurate research as seen in this book Every prophecy student worth his salt needs to read it Dr H L Willmington Founder and Dean Liberty Home Bible Institute David Nichols has written an excellent study on the signs of the end times His biblical knowledge medical and scientific perspective and analysis of the culture make this an incredible study Dont miss it Dr Ed Hindson Asst Chancellor Liberty University Host of *The King is Coming* **Revelation Examined** Melissa Pehle,2021-06-23 This book is a walk through Revelation to discern the truth of the Rapture if it exists and when it might occur as well as what is ahead Many theories had Biblical foundation but obviously they could not all be right nor could they all be wrong This book is about the journey to discover what God said about the Rapture and the events to come for this world **The Left Behind Fantasy** William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading

of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense And He Shall Appear as an Angel of Light Mary E. Preston,2012-04-17 The predictions for the end of the world are numerous There will be severe changes in our global climate famines earthquakes diseases and worldwide political upheaval These are not just outlandish fantasies but truths based on biblical facts Fortunately a man of peace will appear as an angel of light just in time to save the world from destroying itselfbut what will be the price In And He Shall Appear as an Angel of Light author Mary E Preston relies on Scriptures alone to discuss the coming end times and the return of Jesus Christ at the tribulation She breaks down each prophecy into easy to understand language and provides supporting Bible verses to clarify her narrative This religious study concisely covers topics that some pastors and preachers refuse to dwell on in their Sunday sermons In addition to psalms of hope Preston offers direct answers to many of the most troubling questions about Armageddon and its events Issues she covers include the roles that Satan will play in the end times the Beast and his mark Christian persecution and the rapture And He Shall Appear as an Angel of Light seeks to provide you with the basic knowledge you need to prepare for the end of the world Left Behind: Separating Fact from Fiction Gary DeMar,2009 **Are We Living in the End Times?** Tim F. LaHaye,Jerry B. Jenkins,1999 **The Politics and Ethics of Identity** Richard Ned Lebow,2012-08-30 We are multiple fragmented and changing selves who nevertheless believe we have unique and consistent identities What accounts for this illusion Why has the problem of identity become so central in post war scholarship fiction and the media Following Hegel Richard Ned Lebow contends that the defining psychological feature of modernity is the tension between our reflexive and social selves To address this problem Westerners have developed four generic strategies of identity construction that are associated with four distinct political orientations Lebow develops his arguments through comparative analysis of ancient and modern literary philosophical religious and musical texts He asks how we might come to terms with the fragmented and illusionary nature of our identities and explores some political and ethical implications of doing so **Hot Equations** Jesse S. Cohn,2024-04-23 Inspired by the new diversity of science fiction fantasy and horror in the twenty first century Hot Equations Science Fantasy and the Radical Imagination on a Troubled Planet confronts the kinds of literary and political realism that continue to suppress the radical imagination Alluding both to the ongoing climate catastrophe and to Tom Godwin's The Cold Equations that famous touchstone of hard science fiction Hot Equations reads the crises of our post normal moment via works that increasingly subvert genre containment and spill out into the public sphere Drawing on archives and contemporary theory author Jesse S Cohn argues that these imaginative works of science fiction fantasy and horror strike at the very foundations of modernity calling its basic assumptions into question They threaten the modern order

with a simultaneously terrible and promising anarchy pointing to ways beyond the present medical ecological and political crises of pandemic climate change and rising global fascism Examining books ranging from well known titles like The Hunger Games and The Caves of Steel to newer works such as Under the Pendulum Sun and The Stone Sky Cohn investigates the ways in which science fiction fantasy and horror address contemporary politics social issues and more The cold equations that established normal life in the modern world may be in shambles Cohn suggests but a New Black Fantastic makes it possible for the radical imagination to glimpse viable possibilities on the other side of crisis

Are We Living in the End Times or Final Days? Michael Scantlebury,2022-09-15 Whenever we hear about the end times or the last days it conjures up all kinds of images in our minds We may think of the universe blowing up with the largest flame imaginable ushering in a new heaven and a new earth We have presupposed in the body of Christ that the righteous will be raptured away before all of this occurs leaving the world to face a massive fire of destruction Upon hearing Christians mention the last days many just assume they re referring to the end of time and the end of the world But the attentive Bible student will ask The last days of what It seems obvious to me that the text is referring to the end of the Old Covenant Temple aeon age When you read the New Testament through this lenses all I can say is Wow It makes a significant difference when you read the Scriptures with the realization that the Bible was written for you not to you We need to also understand that time of the end and the end of time are not one and the same The Bible teaches about the time of the end but nothing is taught about an end of time

Questions About the End Times S. Michael Houdmann Houdmann,2015-06-19 Wars and rumors of wars blood moons natural disasters the onslaught of terrorism spreading heresiesthe news is filled with reports of such things But which of them are truly signs of the times according to biblical prophecy God says I make known the end from the beginning from ancient times what is still to come Isaiah 46 10 The One who knows the future has revealed much about it in His Word the Bible This book contains one hundred questions concerning the end times answered from a biblical perspective How can I
