Art And Science Gbv:

Gender-Based Violence in Arts and Culture Marie Buscatto, Sari Karttunen, Mathilde Provansal, 2025-06-23 This book offers a groundbreaking exploration of the pervasive issue of gender based violence GBV within the realms of art and cultural production This collection of essays delves into both the overt and subtle forms of GBV It spans sexual harassment assault and the everyday sexism ingrained in creative workplaces and art schools in both professional and private dimensions The book covers a wide array of artistic sectors opera visual arts music and theatre across diverse global contexts from Europe to Asia and North America By incorporating feminist and sociological theories the essays not only examine the structural power dynamics that perpetuate GBV but also highlight efforts to challenge and dismantle these systems The book addresses both criminal acts of violence and the ordinary forms of sexism that pervade artistic spaces making visible the normalized patterns of behavior that maintain gender inequality The volume is divided into three parts the production of GBV its representations in cultural work and the initiatives to counteract it A crucial contribution to ongoing discussions of workplace and educational inequality this timely volume fills a notable gap in research on gender based violence within the arts Its methodological rigor and international perspective ensure that it will serve as a key resource for scholars practitioners and advocates alike

Laws and policies to contrast and prevent Gender-Based Violence Against Women Stellamarina Donato, 2023-10-10 What stage of development are women s rights as human rights By specifically regarding the prevention and elimination of all forms of Violence Against Women the book focuses on two European Mediterranean countries Italy and Spain The book first considers the chronological description and analysis of the main international documents those belonging to the United Nations apparatus followed by the analysis of the sources on Gender Based Violence Against Women GBVAW of the Council of Europe and the European Union The analysis of international documents guarantees an initial overview of the debate on GBVAW following a top down approach from the UN to the national level Successively the focus is on both national sources as well as the level of government responsiveness in terms of policies on GBVAW in Italy and Spain while also comparing the cases The book adopts multimethod research based on qualitative text analysis an examination of the level of national Government Responsiveness to GBVAW and a series of in depth interviews with targeted individuals The final aim of this book is to understand how international UN and regional CoE EU documents on GBVAW along with the categories and expressions used within the documents have contributed to different policies in countering GBVAW in Italy and Spain while also highlighting the reasons why the two countries responded differently Within a comprehensive international scenario this book intends to create space for debate on possible future EU policies aimed at contrasting GBVAW

Contemporary Transnational Feminist Visual Activism and Gender-Based Violence Basia Sliwinska, 2025-09-30 This book illuminates arts activist interventions that raise consciousness and advocacy for women s right to a life free from violence In a context where Gender Based Violence GBV has continued to intensify across the globe

the international range of essays focus on violations of bodily integrity and autonomy reproductive domestic and sexual violence femicide and feminicide Comparing and interrogating arts activist strategies and visual methods the book also explores tactics employed by arts activists attentive to effects and lived experiences of GBV and imagining potential solutions founded in feminist thinking to change behaviours and raise awareness generating systemic change The case studies of feminist transnational contemporary arts activism include examples from Austria Brazil Canada Ghana Guatemala Hong Kong Mexico and the United States Arts engaged with include textile work crafts making performance art clay work protest art and documentary art indicating the breadth and richness of the work of feminist political artists At a time when according to the UN Women s estimates almost one in three women have been subjected to violence it is critical to understand how feminist politics catalyses social cultural and political changes This book will be of interest to scholars working in art history women s studies gender studies and visual culture
