

- Distribute your Action Plan as widely as possible throughout the Mission Community, the more people see it and hear about it in daily church life the better.
- You could consider creating an A5 flyer to have at the back of the church for people to pick up; include it in your newsletter; reference it in sermons and in your choice of charitable aid; include your vision and ideas in every aspect of church life!
- Review, and use, your MAP at each POC meeting as a way of checking your church's priorities and use of resources.

The Humble Church Martyn Percy, 2021-03-31 In this bold and provocative invitation Martyn Percy imagines what the post pandemic Church might look like and sets out what it needs to learn It argues that the Church needs to stop obsessing about itself its size its strategies to shore up decline its waning public influence and rediscover how to live as the body of Christ In other words what does it need to do in order to become more like Christ As Christ poured out his life for the sake of others he considers ways in which the Church might imitate Christ in practice today Whenever Jesus visited anywhere beyond the confines of the Jewish community he immediately became socially useful and so this extols such virtues as humble service in the community not because it is an effective way to grow the Church but because it is faithful to Christ's own example Avoiding responses such as exasperation righteous anger at shortcomings or wishful thinking about returning to the past he sets out a vision for the Church's future that is both biblical and christological Incisive imaginative and engagingly written this will resonate deeply with many lay and ordained members of the Church
