
Hints to Choir Members

1. Choir practice commencing punctually has a good chance of ending punctually.

2. If you must talk during practice, let your conversation refer to the music in hand; other subjects can wait for a bit.

3. When singing open your mouth, and keep your chin up, not buried in your book.

4. Hold the notes their full value, but don't "hang on" for ever.

5. Help make the choir a worthy asset to the Minister and Church.

6. It is an unpardonable sin to sit in the congregation without explanation to the organist or secretary.

7. It is only fair to the organist to inform him of your intended absence from practice or service.

8. Be loyal and true to your choir-master, organist, and choir.
