The Argument about Things in the 1980s Tim Jelfs, 2018 In the late 1970s a Jeff Koons art exhibit featured mounted vacuum cleaners lit by fluorescent tube lighting and identified by their product names New Hoover Quik Broom New Hoover Celebrity IV Raymond Carver published short stories such as *Are These Actual Miles* that cataloged the furniture portable air conditioners and children's bicycles in a family home Some years later the garbage barge *Mobro 4000* turned into an international scandal as it spent months at sea unable to dump its trash as it was refused by port after

port Tim Jelfs's *The Argument about Things* in the 1980s considers all this and more in a broad study of the literature and culture of the long 1980s. It contributes to of the moment scholarly debate about material culture, high finance and ecological degradation, shedding new light on the complex relationship between neoliberalism and cultural life. *The Stories of Raymond Carver* Kirk Nessel, 1995. Raymond Carver, known in some circles as the godfather of minimalism, has been credited by many as the rejuvenator of the once dying American short story. Drawing on representative tales from each of Carver's major volumes of fiction, Nessel's critical exploration leads us deep into the heart of Carver country: an eerie, post-industrial world of low rent survivors. In this comprehensive study of Carver, Nessel discusses the relationship of minimalism and postmodern trends and the rise of new realism. By locating Carver in the gallery of American letters, Nessel shows him to be at once more simple and more complex than we might have believed, skillfully laying the groundwork for Carver studies to come. **BOOK JACKET Title Summary field provided by Blackwell North America Inc. All Rights Reserved** *Raymond Carver* Adam Meyer, 1995. An acknowledged master of the short story, Raymond Carver (1938-88) excelled at portraying the hardscrabble existence of blue collar workers, frustrated and disillusioned by the false promises of the American dream. This terrain was well known to Carver, who long worked at blue collar jobs to support his family and personally struggled with the transiency, alcoholism, economic privation and despair he depicts so poignantly in his fiction. At the same time he overcame these obstacles, aided by among others the writer John Gardner, the editor Gordon Lish and the poet Tess Gallagher to become a major figure in the resurgence of the short story and the revival of realistic writing. For collections like *Will You Please Be Quiet Please*, *What We Talk About When We Talk about Love* and the magnificent *Cathedral*, Carver won honor after honor, including nominations for the National Book Award, the National Book Critics Circle Award and the Pulitzer Prize. And with the 1993 release of Robert Altman's film *Short Cuts*, Carver, long known to readers of serious fiction, attained widespread public recognition. Tracing these themes and more is Adam Meyer's *Raymond Carver*, which considers more of the writer's fiction and poetry than has any previous book length study. Writing with luminous clarity, Meyer delves into the biographical elements shaping the writer's career and probes Carver's style and subject matter; he then examines the majority of the fictional works, organizing his material according to distinct phases in the writer's canon, while devoting a separate chapter to Carver's poetry. Of special appeal are Meyer's insightful comparison of stories published in multiple versions and his informed discussion of minimalism, a term often applied to Carver's writings but Meyer argues only partly, if at all, with accuracy.

The Best American Short Stories, 1991 Alice Adams, Katrina Kenison, 1991 *Raymond Carver* Sam Halpert, 1995-04-01. Raymond Carver has become a literary icon for our time. When he died in 1988 at the age of fifty, he was acclaimed as the greatest influence on the American short story since Hemingway. Carver's friends were the stuff of legend as well. In this rich collection, greatly expanded from the earlier *When We Talk about Raymond Carver* of interviews with close companions, acquaintances and family, Sam Halpert has chronologically arranged the reminiscences of Carver's adult

life recalling his difficult Bad Raymond days through his second life as a recovering alcoholic and triumphantly successful writer The result is a spirited Irish wake toasts anecdotes lies songs confessions laments all beautifully orchestrated by Halpert into a very readable and moving narrative These funny poignant intensely remembered interviews juxtapose personal anecdotes and enlightening criticism Memory mixes with analysis and a lively picture of Carver emerges as we hear different stories about him of the same story told from different viewpoints He is here presented as hero victim and even villain Carver's readers will recognize the woof and warp of his stories in these affectionate narratives
