chronologically ordered selection of texts is examined including Swettenham Bird Maugham Burgess and Thumboo This genealogy of works includes colonial travel writings and sketches as well as contemporary diasporic novels by Malaysian and Singapore born authors based outside their countries of origin The premise is that home is a physical space as well as a symbolic terrain invested with social political and cultural meanings As discussions of politics and history augment close readings of literary works the book should appeal not only to scholars of literature but also to scholars of Southeast Asian politics and history

*Edward Said's Concept of Exile* Rehnuma Sazzad, 2017-02-10 Edward Said was an exiled individual the out of place Palestinian in the USA He saw the consequences of the 1948 dismantling of Palestine and the establishment of Israel through his parents experiences and through the collective statelessness imposed on the Palestinians His own personal experience of exile intensified when he moved to the USA Yet despite the significance of exile to Said s life and work no scholarship has yet focused on this theme in his writings or traced its ongoing applicability and importance Rehnuma Sazzad fulfils this pressing need in literary and cultural research by providing the first comprehensive definition of Said s theory of exile and revealing its legacy in relation to five Middle Eastern intellectuals Naguib Mahfouz Mahmoud Darwish Leila Ahmed Nawal El Saadawi and Youssef Chahine Sazzad argues

that for Said the ideal intellectual is a metaphorical exile This exile does not have to be spatially disconnected from a homeland but must demonstrate a willing homelessness through specific strategies and techniques By selecting a novelist poet feminist filmmaker and essayist Sazzad shows how intellectuals from diverse fields become part of the Saidian discourse through the expression of these exilic qualities The book creates a portrait of redoubtable intellectual practice and in the twenty first century context when the frontiers of belonging are constantly redrawn Edward Said s Concept of Exile adds new depths to discourses of resistance home and identity
