rest in Thee As the son of a pagan father and a Christian mother Saint Augustine spent his childhood torn between the two conflicting faiths and their opposing world views When he was in his early forties he wrote His Confessions a remarkably honest and revealing spiritual autobiography In it he provides an unbroken record of his development of thought and recounts how slowly and painfully he turned away from his youthful ideas and sinful immoral lifestyle to instead become a staunch advocate of Christianity and one of its most influential thinkers It is the most complete record of any single person from the 4th and 5th centuries and widely seen as the first Western autobiography ever written Written as prayers to God confessing his faith despite past mistakes and recognizing the ways that God has transformed his heart these spiritual meditations and insight make The Confessions of St Augustine a significant theological work which will always rank among the great masterpieces of western literature
