The Charisma Factor Robert J. Richardson,S. Katharine Thayer,1993 The seeds of charisma reside in all of us We each have the ability to spark extraordinary followings and engender amazing allegiance in others To bring this admirable personality trait to life all it takes are a few simple strategies that past leaders have been using for centuries You ll find those strategies in this handbook Destroying forever the myth that charisma is a gift given only to a few The Charisma Factor shows you how to become the natural born leader you can be by focusing on the emotional energy of others and inspiring them to move toward greater endeavors The guide provides strategies that show you how to reach others with the language of emotion You ll walk in the footsteps of such proven leaders as Reagan Kennedy King Churchill even the ancient Greeks when you follow the examples and techniques in this practical handbook including ways to impact others at both the conscious and subconscious level secrets for developing

rapport with any audience methods for inspiring the actions you desire in anyone at any time steps for creating a charismatic presentation procedures for developing the high performance workplace plus the 4 qualities of every charismatic leader These techniques are broken down into simple to follow steps that have been drawn from hundreds of hours of interviews transcripts film analysis and testing giving you the tools you need to consistently inspire and charismatically lead others You ll also find The one tool used to trigger motivation in others This straightforward method has been proven by history s most powerful leaders to be the most effective and enduring for energizing and motivating employees and followers Three steps of charismatic communication Presents charisma as a tangible concept that when broken down you can easily use to achieve results in your own life Fourteen techniques of emotional management Offers six primary and eight advanced techniques for managing the emotions of others in order to fuel their highest performance Techniques to bond with followers Shows you how to apply the entertainment technique and others to easily bond with people and break down any barriers that might be hindering your natural leadership ability The Charisma Factor will show you how to become a leader who can guide different types of people with differing backgrounds beliefs and values to focus on a project in total synchrony and passion The Charisma Factor Robert S. Richardson, Robert J. Richardson, S. Katherine Thayer, 1995-05 The Power of Charisma Dan Strutzel, Traci Shoblom, 2017-09-12 Most everyone has something they are passionate about But without the ability to actually effect change things just stay the same In order to truly inspire change we need to be able to effectively explain the problem inspire people to join us create a vision for the new reality and then motivate people to take the actions that lead to the change Inspiring change requires charisma the ability to communicate a clear visionary and inspirational message that captivates and motivates an audience Imagine having that kind of aura where all you had to do was walk into a room and heads would turn and people would want to hear what you have to say What could that do for your career Your personal life The issues and causes you feel most passionately about But most of us don t have a television show the aura of celebrity or the powerful emotional catalyst of a tragedy to unleash our passion Most of us are just regular every day people Can we too use the power of charisma to inspire change The answer is a resounding YES In this inspiring and idea packed audio program The Power of Charisma you ll learn that charisma is a social skill like listening that can be learned And once learned it becomes the difference between being heard or ignored Charisma can benefit virtually every area of your life Charisma gets people to like you to trust you to want to join you Whether you re the leader of a country the leader of your Girl Scout troop or a freelance artist all alone in your studio charisma can help you get what you want **The Entrepreneurial Effect** James Bowen, 2022-08-10 The Entrepreneurial Effect is a collection of advice articles by successful high technology entrepreneurs based on their experiences Every budding entrepreneur seems to imagine a series of lunch dates with the most successful entrepreneurs in technology and other sectors of the Ottawa area Silicon Valley north What skills are seen as needed to be successful in starting growing and managing technology based business in the 21st century Every business
