*Learning That Matters* Susan Davis,2016-03-22 This book presents research and practice which revitalises Heathcote's Rolling Role an innovative trans disciplinary model which connects the work of multiple classes to engage in collaborative imaginative work The original model was developed by legendary teacher Dorothy Heathcote an educational innovator who gained international fame for her transformational work centred on dramatic framing to activate meaningful and important learning She developed models that encouraged teachers to curate powerful learning experiences through careful planning framing enactment and reflection Teacher in Role and Mantle of the Expert are the most well known of her strategies approaches where the teacher exercises high selectivity in a range of meditational tools and means so as to empower students as agents with the power to act While the Rolling Role model is less well known Heathcote herself believed that it had great potential to be realised through using websites and digital technologies In the wake of her passing and ongoing examinations of her legacy a practical exploration was initiated to reconceptualise the Rolling Role model through the use of digital platforms The resulting project The Water Reckoning was an international project which engaged students in exploring ideas related to climate change water based catastrophe and human resilience Further analysis and archival research have informed a deeper understanding of key principles for implementing Rolling Role and its potential for global collaboration and learning This work has included close analysis of a set of 16 videotapes Heathcote created as a set of consultations for teachers The book therefore collects together for the first time accounts regarding the historical development of the Rolling Role system examples of its use and reflections on its application through the use of digital technologies Rolling Role has the potential to be applied in a wide range of educational contexts with its focus on engaged learning and learning that matters

contact practice encounters and creative ecologies signal new modes of participatory engagement Unfortunately while primary schools continue to construct environments conducive to this kind of slow education secondary schools and education policy persistently do not This book argues from diverse viewpoints and methodological perspectives that 21st century creativity education must find a way to advance in a more integrated and less siloed manner in order to respond to pedagogical innovation economic imperatives and creative possibilities and adequately prepare students for creative practice workplaces and publics This innovative volume will appeal to students and scholars of creative practice as well as policy makers and practitioners

Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business

endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
