The Forgotten Trinity:

The Forgotten Trinity James R. White, 2019-11-05 While many of us struggle to understand it the Trinity is one of the most important teachings of the Christian faith It defines God s very essence and describes how he relates to us And while it can be a difficult concept to get our heads around it is crucial for believers to understand how God explains his triune nature in his Word In this book James R White offers a concise understandable explanation of what the Trinity is and why it matters While refuting the distortions of God presented by various cults Dr White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian And amid today s emphasis on the renewing work of the Holy Spirit *The Forgotten Trinity* is a balanced look at all three persons of the Trinity May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself *The Forgotten Trinity* Alasdair I. C. Heron, British Council of Churches. Study Commission on Trinitarian Doctrine Today, 1989 *The Forgotten Trinity* The British Council of Churches, 1989 **The Forgotten Trinity: Study guide**, 1989 **The Forgotten Trinity** British Council of Churches, Study Commission on Trinitarian Doctrine Today Staff, BCC Study Commission on Trinitarian Doctrine Today, 2011 **God as Communion** Patricia Fox, 2001 *God As Communion* explores ancient and new meanings of the symbol of God as Trinity and brings the Christian traditions of West and East into dialogue Through an exploration of the works of two contemporary theologians Fox retrieves this central Christian symbol and uncovers its transforming power for the Church and world today *The Forgotten Jesus and the Trinity You Never Knew* Damon W.K. So, 2010-06-01 This book presents a dynamic picture of Jesus and relates this picture to Jesus fundamental and underlying relationship with his Father through the Holy Spirit The concrete expression of that relationship in Jesus life ministry death and resurrection is presented in a unified manner avoiding the pitfall of majoring on only one of these aspects This holistic and dynamic picture of Jesus in intimate fellowship with his Father through the Spirit gives the readers a valuable glimpse into the mystery of the Trinity and invites them to reflect on what it means to follow Jesus as individuals and as communities in the context of the twenty first century with its many challenges *Recent Developments in Trinitarian Theology* Marc Vial, 2014-06-13 *Recent Developments in Trinitarian Theology* explores the major renaissance that Trinitarian theology has undergone in recent decades Remarkably all the main Christian denominations have participated in this and contemporary Trinitarian theology is a discussion that often crosses over confessional boundaries English language theology plays an important role in the renewal of Trinitarian theology and that role is the focus of this symposium Its purpose is twofold to gather in an international setting leading thinkers to present the major developments in Trinitarian theology and to show how Trinitarian theology can contribute to new thinking in several contemporary systematic and critical fields including political theology and the theology of religions *Divine Truth or Human Tradition?* Patrick Navas, 2011-07-07 In *Divine Truth or Human Tradition* the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and

apologists including Dr James R White author of *The Forgotten Trinity* Dr John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read *Systematic Theology* Robert Morey author of *The Trinity Evidence and Issues* Robert L Reymond author of *A New Systematic Theology of the Christian Faith* and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self-evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith

The Forgotten Trinity: Selection of papers, 1989 **Trinitarian Doxology** Kevin J. Navarro, 2020-10-29 Most approaches to liturgical theology are anthropocentric the study of liturgy is primarily focused on what we the worshipers do Thomas F Torrance and James B Torrance offer a trinitarian and christocentric approach This informs not only the why of worship and not simply the what or how of worship but centers on the One whom we worship Most significantly it fully recognizes the key role of the humanity of Christ as the ascended High Priest who alone offers the perfect worship and through whom alone we are enabled by the Spirit to worship God *The Forgotten Trinity* Alasdair I.
