

"Moon Palace", Paul Auster

Marco Stanley (Fogg) : Young Man, searches for his identity. His biography is similar to the one of the author.

Chapter 1 :

- The first important thing we know is that he lost his **uncle Victor** : described as kind, lovely, who gives the book to Marco because of his lack of money.
" I have no money to give you", he said, "and not one word or advice. Take the books to make me happy" : read is very important to study, his uncle want him to do studies
He is his only family: *"My one link to something larger than myself"*
He Uncle explain to Marco why her mother isn't here (lost her at 11) *"All children are love children", he said, "but only the best ones are ever called that"*
Uncle Victor compare him to a caractere in "around the world in 80 days"
"When we confronted ourselves on the screen" , which also shows that he knows him. But also that *"Uncle Victor found meanings where no else would found them"*
"Every man is the author of his life"
We found out that Uncle Victor loves baseball : *"when I go to a game", he would said, "The only stars I want to see are the ones on the diamond"*
- In general Fogg and his Uncle move a lot but even after the death of his uncle he keeps studying as his uncle requests.
- The two Doras seem to be linked to Uncle Victor.
- Fogg have a unic uncle because of the way he speak, which most of the time non-sense but also his way to communicate with others : *"Victor himself said nothing, but his body was speaking to me in code, and I did not have the wherewithal or the sense to crack it"*
- Fogg miss his uncle : *"At moments of stress and unhappiness, it was a particular comfort to feel myself swaddled in the warmth of my uncle's clothes, and there were many times when I imagined the suit was actually holding me together, that if I did not wear it my body would fly apart" [...]* A protective membrane, a second skin that shielded me from the blows of life" = he had to take back all the stuff of his uncle when he died, he also keep all the books
- Moon Palace : where he going to live during a little bit part of his life, fell in love with this building, remind him also his uncle, it's an important moment in his life which motives him a lot : *"I wanted to spit on the world, to do the most outlandish thing possible"*. It also represents the dream of every teenager who becomes an adult and wants to discover the world.
- But as we suspect his dream fell down : *"my life had become a gathering zéro, and it was thing that I could actually see : a palpable, burgeoning emptiness"*, he became extremely poor and he missed A LOT his uncle so *"piece by piece, I could watch myself disappear"*
- As he became extremely poor, he lost everything including phone. Besides, he said something interesting about it *"We've all grown used to these simulacra of ourselves, but when you stop and think about it, the telephone is an instrument of distortion and fantasy. It's communication between ghosts, the verbal secretions of minds without bodies. I want to be able to see the person I'm talking to, if I can't, I'd rather not talk at all"*
