has a special significance too Thus I commence this series with the etymology of the name When we the lazy intellectual better half that I am married to and the earnest me were searching for an ideal name for my counseling practice we tried various permutations and combinations for a word or phrase that meant to throw light on or to guide or to give direction because as a counselor that was my ideal job description The other thought which we were consciously coming back to was a name that would have the family members in it the four of us so that one name would suffice as our house sign board and my practice title Thus Disha Prabha came into being Disha means direction or way and Praha means illumination or radiance This was just perfect counselling is all about lighting the way or lending radiance to direction More importantly Disha is a combination of Di Dinesh the boss of the family and Sha Sharanya the author Prabha is put together with Pra Pranav our son and Bha Bhargavi our daughter So in unanimous consensus we chose this name Most of my writings are experiences or moments shared with these three people It is but obvious that they make an appearance everywhere in this book and all the other books that will follow This book is the first of the Disha Prabha series And I give my thanks to Sahaj Marg the meditation path I follow and teach My Disha received Prabha from this path and I owe everything to this path

Budgeting for the Poor Mark Robinson, 2008-11-03 Civil society organisations play an increasingly important role in analysing government budget policies and in advocating for more transparent and inclusive budget processes in transitional and developing countries Drawing on case studies of six budget groups across Europe Africa Asia and Latin America this book is the first comprehensive study of the impact and significance of civic initiatives aimed at enhancing budget transparency and the poverty focus of government expenditure priorities Achievements include improvements in the transparency of budgetary decisions increased budget awareness and literacy and deeper engagement in the budget process on the part of legislators the media and civil society organisations The case studies in this book show how budget groups produce greater equity in budget policies and strengthen democracy by fostering accountability enhancing transparency and deepening participation and voice
