institutions of higher education including all accredited colleges and universities that offer at least the baccalaureate degree. This essential resource offers pertinent statistical data on such topics as tuition room and board admission requirements, financial aid, enrollments, student life, library holdings, accelerated and study abroad programs, departments and teaching staff, buildings and grounds, and degrees conferred. Volume two of the set provides four indexes including an institutional Index, a subject accreditation index, a levels of degrees offered index, and a tabular index of summary data by state. These helpful indexes allow readers to find information easily and to make comparisons among institutions effectively. Also contained within the text are charts and tables that provide easy access to comparative data on relevant topics.
