

BRICK TIPS

Every LEGO® builder has his or her own way of doing things, but here are some useful tips to get you started. Of course, the most important thing to remember is to just use your imagination and... get building!

RESEARCH Check out real-life examples or photographs of the kinds of things you want to make to get good building tips and ideas.

KEY PIECE You could start your build by finding an unusual or interesting shaped piece and think of different ways of using it.

SORT YOUR BRICKS Whether it's by color or type, it could save you lots of time when you're building.

MIX AND MATCH YOUR BRICKS Mix up all your LEGO sets and use spare pieces for lesser builds or LEGO City pieces for fantasy builds.

PLAN OR DON'T RETARD! Sometimes it helps to plan out your build in advance and gather all the bricks you need. Other times it's good to just jump right in and start building.

PURPOSE When you're building, think about the purpose or function of your model.

AND SAVE THAT SHARPPED NEED TO BE YELLOW AND BROWN? USE YOUR BRICKS TO COME UP WITH YOUR OWN COLOR SCHEME.

PLAN POTENTIAL Don't forget that you will want to play with your models. Make sure your minifigures have brick roads to stand or sit on. Build a range of models to expand your play. Think of multiple play scenarios for your models!

STABILITY IS IMPORTANT

Remember that your model doesn't just have to look good, it needs to be sturdy enough to be played with.

BE CREATIVE WITH YOUR BRICKS You can use different bricks to achieve similar effects. If you don't have cottagers for your farm truck, but you have some yellow bricks, then you've got other ideas!

DON'T WORRY IF YOUR BUILD GOES WRONG It's all about finding your own way of doing something. If things do go wrong, just take your model apart and begin again! There's usually more than one way to solve a building problem.

YOUR MODEL MIGHT TURN OUT VERY DIFFERENT FROM HOW YOU IMAGINED- MAKE EVERY BRICK COUNT!

IT'S ALL IN THE DETAIL

Use details to bring your models to life and give them the finishing touch. Add lights or cars and something to flowers in gardens.

The Lego Ideas Book Daniel Lipkowitz

L Reisser

The Lego Ideas Book Daniel Lipkowitz:

Enjoying the Melody of Phrase: An Mental Symphony within **The Lego Ideas Book Daniel Lipkowitz**

In a global eaten by displays and the ceaseless chatter of immediate interaction, the melodic elegance and mental symphony developed by the written word often diminish into the backdrop, eclipsed by the constant sound and distractions that permeate our lives. But, nestled within the pages of **The Lego Ideas Book Daniel Lipkowitz** a charming fictional treasure filled with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that captivating masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed songs and profound impact resonating within each cautiously crafted phrase. Within the depths with this poignant evaluation, we shall discover the book is central harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
