Introduction To Political Science:

political science is for everybody amy l. atchison,2021-02-01 political science is for everybody is the first intersectionality mainstreamed textbook written for introductory political science courses While political science and politics are for everybody political institutions are neither neutral nor unbiased When we write political science textbooks that obscure the differences in how groups experience and interact with political institutions we do students a disservice This book exposes students to these differences while also bringing marginalized voices to the fore allowing more students to see their lived experiences reflected in the pages of their textbook Bringing together a diverse group of contributors political science is for everybody teaches all the basics of political science while showing that representation matters both in politics and in the classroom

Political Science Michael Roskin,Robert Cord,James Medeiros,Walter Jones,2021-08-20 REVEL tm is Pearson s newest way of delivering our respected content Fully digital and highly engaging REVEL replaces the textbook and gives students everything they need for the course Informed by extensive research on how people read think and learn REVEL is an interactive learning environment that enables students to read practice and study in one continuous experience for less than the cost of a traditional textbook Explore the Fundamentals of Political Science REVEL for Political Science An Introduction shows students how the fundamental tenets of political science have helped important leaders make critical decisions for centuries The authors present a balance of theoretical abstractions and applied reasoning to help students understand how to make calm rational choices when it comes to political manipulation REVEL for the Fourteenth Edition asks students to explore the controversial topic of exported democracy and whether certain countries are ready and equipped to apply our form of government By examining issues such as the Iraq war and the difficulty of adapting our own democracy in the U S REVEL for Political Science prompts students to form their own opinions about democracy and political science Geared toward those learning about the topic for the first time the authors encourage students to consider different paradigms viewpoints and theories when developing their own political views Learn more about REVEL
