Isra Iliyyat Islam:

Muslim-Jewish Encounters Ronald L. Nettler, 2014-01-02 First Published in 1998 This book brings together contributions which examine various Islamic and selected Jewish writings of this kind analysing their ideas methods sources and meanings relating them to the new historical and political situations as well as to ancient and medieval writings for comparative purposes The texts discussed either elaborate attitudes towards the other within the two traditions or address themes that are part of their common heritage

The Islamic Moses Mustafa Akyol, 2024-09-10 A theological and historical exploration of the connection between Islam and Judaism through the single most mentioned character in the Quran Moses There is one human mentioned in the Quran more than any other Moses Why is it that the Jewish prophet dominates the Islamic scripture Because he is the role model for Muhammad Islam s own prophet Because Islam just like Christianity is deeply intertwined with Judaism although surprisingly little attention has been given to this fascinating connection between the two religions Author and journalist Mustafa Akyol takes readers on a theological and historical walk through that much neglected side of the Abrahamic triangle the Judeo Islamic tradition Using Moses presence in the Quran as a jumping off point Akyol explores the first historical encounter between Muslims and Jews the creative symbiosis and mutual enrichment that occurred between the two belief systems in medieval times and the modern emergence development and perception of the two religions At a time of bitter conflict in the Middle East The Islamic Moses dives into the older deeper and often unexpectedly brighter story of Jews and Muslims Readers of any background will be surprised by the common historical and theological ground that exists between the two religions and will come away with a better understanding of both

Narratives about Jews among Muslims in Norway Vibeke Moe Bjørnbekk, 2024-06-17 What is the nature of Muslim Jewish relations in Europe today Based on qualitative interview data this book explores narratives about Jews among Muslims in Norway Drawing on culturally embedded narratives as well as personal experiences interviewees reflect on the relationship between Jews and Muslims The interreligious exchange between Islam and Judaism is as old as Islam Today the Arab Israeli conflict has become an important frame of reference in the public discourse on Muslim Jewish relations The narratives presented in this book delineate shifting community boundaries and identifications that transcend dichotomised notions of Muslims versus Jews The analysis shows how Jewish history in Europe and the history of modern antisemitism serve as interpretative keys in the narratives used for explaining the situation of the Muslim minority today Furthermore the book demonstrates how interviewees perceptions of society s attitudes toward Muslim and Jewish experiences also strongly influence their perceptions of Muslim Jewish relations

Origin and Use of the Term "isra'iliyyat" in Muslim Literature Roberto Tottoli, 1999

The Challenge of Islam Douglas Pratt, 2005 Addressing challenges arising from Christian Muslim encounter this book engages with the primary challenge enabling outsiders to understand the religion of Islam Douglas Pratt offers distinctive perspectives that complement much other literature in the study of Islam and in

particular of Christian Muslim relations and the relation of Islam and the West Whilst in recent years there have been many introductions to Islam a book that combines introductory material with issues of the relationship of Islam to Christianity and Judaism and issues of dialogical engagement is rare and offers an important complementary perspective to other texts Jacket

Islam, Nationalism, and Radicalism in Egypt and the Sudan Gabriel Warburg, Uri M. Kupferschmidt, 1983 *The History and Architecture of Al-Masjid Al-Haram* Omer Spahic, 2018 Fundamentalist Islam and Israel Raphael Israeli, 1993

This book provides an in depth account and analysis of Islamic fundamentalism today and how it has an impact on Israel s relations with the Arab and Islamic worlds In light of recent events the book is important for the whole Western world which now confronts revivalist Islam both in the Middle East and Europe itself and even in such far flung fragments of European civilization as the United States and Australia This book should be of great help for the West in developing a proper understanding of and a strategy for dealing with this movement Co published with the Jerusalem Center for Public Affairs

and Its Role in Islamic Solidarity Yitzhak Reiter, 2008-05-15 The book deals with the role of Jerusalem as a central religious political symbol and with the processes by which symbols of faith and sanctity are being employed in a political struggle It examines the current Islamic ethos towards Jerusalem and the affinity between this religious ethos and the political aspirations of the Palestinians and other Arab and Islamic groups It also compares current Jewish and Muslim narratives and processes of denial and de legitimizing the affiliation of the other to the holy city and its sacred shrines and addresses the question whether religious outlook forms a major barrier for achieving peace in the Israeli Arab arena
