Liberal ideas were spreading to Latin America, with negative results. From Mexico to the tip of South America, revolutionary movements arose to overthrow the reigning European powers. By 1825, most of Latin America was freed from colonial rule.

**Discontent Fans the Fires**

By the late 1700s, the revolutionary fires that gripped Western Europe had spread to Latin America. There, discontent was fueled by the social, racial, and political systems that had emerged during the years of Spanish rule.

**Social and Ethnic Structures Cause Resentment** Spanish social and ethnic structures, remnants of the highly unequal class system that Latin Americans inherited, were deeply ingrained. The social hierarchy put the government and the church at the top. Many revolutionaries in Latin America who opposed the Spanish government, and even more who opposed their own social structures, looked toward revolutionary politics that led the colonies to Spain.

Meanwhile, a growing population of **criollos**, people of Native American and European descent, were angry at being denied the status, wealth, and power that were available to white, Spanish Americans. They wanted to overthrow the Spanish government, and they wanted to improve the lives of their own people. In the Caribbean region and parts of South America, leaders of colonial rebellions who worked as plantation managers for the British.
