

## DBQ 8: CIVILIZATIONS OF THE AMERICAS

### Historical Context

Between 300 and 1500, three advanced civilizations developed in Central and South America. The Mayas flourished from 250 to 900. Mayan ruins remain even today in Central America. The Aztecs conquered most of Mexico. They built a highly developed civilization in the 1400s. At the same time, the Incas were building an empire in Peru.

■ **Directions:** The following question is based on the accompanying documents in Part A. As you analyze the documents, take into account both the source of each document and the author's point of view. Be sure to do each of the following steps:

1. Carefully read the document-based question. Consider what you already know about this topic. How would you answer the question if you had no documents to examine?
2. Read each document carefully, underlining key phrases and words that address the document-based question. You may also wish to use the margin to make brief notes. Answer the questions that follow each document before moving on to the next document.
3. Based on your own knowledge and on the information found in the documents, formulate a thesis that directly answers the document-based question.
4. Organize supportive and relevant information into a brief outline.
5. Write a well-organized essay proving your thesis. You should present your essay logically. Include information both from the documents and from your own knowledge beyond the documents.

**Question:** How advanced were the Mayan, Aztec, and Incan civilizations? What were their major accomplishments?

### PART A

The following documents deal with the former civilizations of Central and South America. Examine each document carefully. In the space provided, answer the questions that follow each document.

Benson, 2005 Describes the story of the development of early American civilizations and includes a collection of twenty three biographies and primary sources from the earliest societies to the Spanish conquest Ancient Civilizations of the Americas Antony Mason, 2001 The salmon fishers of North America the nomadic tribes of the great central plains and the highly cultured civilizations of Mesoamerica and the Andes are integral components of an extraordinary time in history Beginning with the emergence of the first civilizations around 1200 BC this book covers one of the most dynamic periods of America s history As a huntergatherer way of life gave rise to agriculture the emerging civilizations began producing cultural artefacts such as pottery metalwork and textiles which encouraged trade and ultimately prosperity Religion served to unite peoples from diverse regions but also led

to warfare when seizing captives for sacrifice This book investigates both the peaceful and violent aspects of ancient American civilizations and uses the most recent information to bring to life these fascinating cultures some of which flourished until just a few centuries ago In ancient North and South America extraordinary civilizations rose flourished and fell The Mayan pyramids and the ruins of Machu Picchu in Peru and Teotihuacan in Mexico remain a testament to these cultures Ancient Civilizations of the Americas tells the remarkable story b

**Early Civilizations in the Americas Cumulative Index** Sarah Hermsen,2005 This is a cumulative index for the Early Civilizations in the Americas Reference Library

**Early Civilizations of the Americas** Britannica Educational Publishing,2011-05-01 The cultural and intellectual achievements of Old World civilizations ancient Greece or Egypt for instance can be glimpsed in present day societies the world over Unfortunately accomplishments of the ancient civilizations of the New World have often been obscured by the colonial forces that eventually eradicated much of their populations One glance at the imposing architecture left behind by the Inca or the mathematical strides made by the Maya reveals that the early peoples of the Americas were equally as enterprising as their Old World counterparts This exciting volume introduces readers to the magnificent kingdoms and empires of early South Middle and North America and the rich heritage of the peoples who made them

**Early Civilizations in the Americas** Sonia Benson,Deborah J. Baker,2005 Looks at the development of early civilizations in the Americas and provides profiles of prominent individuals

*Early Civilizations in the Americas* Sonia Benson,2005 Looks at the development of early civilizations in the Americas and provides profiles of prominent individuals

**The Greatest Civilizations of the Americas** Charles River Editors,2025-05-05 Many ancient civilizations have influenced and inspired people in the 21st century The Greeks and Romans continue to fascinate the West today But of all the world s civilizations none have intrigued people more than the Mayans whose culture astronomy language and mysterious disappearance all continue to captivate people In 2012 especially there has been a renewed focus on the Mayans whose advanced calendar has led many to speculate the world will end on the same date the Mayan calendar ends The focus on the doomsday scenario however has overshadowed the Mayans true contribution to astronomy language sports and art From the moment Spanish conquistador Hernan Cortes first found and confronted them the Aztecs have fascinated the world and they continue to hold a unique place both culturally and in pop culture Nearly 500 years after the Spanish conquered their mighty empire the Aztecs are often remembered today for their major capital Tenochtitlan as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals Ironically and unlike the Mayans the Aztecs are not widely viewed or remembered with nuance in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire s dominance less than a century before the Spanish arrived Naturally Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism While the Mayans are remembered for their astronomy numeral system and calendar the Aztecs have primarily been remembered in a far narrower way despite

continuing to be a source of pride to Mexicans through the centuries As a result even though the Aztecs continue to interest people across the world centuries after their demise it has fallen on archaeologists and historians to try to determine the actual history culture and lives of the Aztecs from the beginning to the end relying on excavations primary accounts and more During the Age of Exploration Native American tribes fell victim to European conquerors seeking legendary cities made of gold and other riches attempts that were often being made in vain And yet of all the empires that were conquered across the continent the one that continues to be most intimately associated with legends of gold and hidden riches is the Inca Empire The Inca Empire which flourished in modern day Peru and along the west coast of South America was the largest Native American empire in pre Columbian America until Pizarro and the Spanish conquistadors conquered them in the 16th century What ultimately sealed their doom was the rumor that huge amounts of gold were available in regions south of the Andes Mountains Though the Spanish physically conquered them in quick fashion the culture and legacy of the Inca Empire has continued to endure throughout the centuries in both Europe and South America due in no small part to the fact they were one of the most advanced and sophisticated cultures on the continent Like the Aztecs the Spanish burned much of the Inca s extant writings but it is estimated that as many as 35 million once fell under their banner and the empire s administrative skills were so sharp that they kept accurate census records Their religion organization and laws were also effectively centralized and tied to the rulers of the empire and their military mobilization would have made the ancient Spartans proud After the Spanish conquest several rebellions in the area attempted to reestablish the proud Inca Empire over the next two centuries all while famous Europeans like Voltaire glorified the Inca Empire in optimistic artistic portrayals The mystique and aura of the Inca continue to fascinate the world today and nowhere is this more prominent than at Macchu Picchu

**The Encyclopedia of the Ancient Americas** Jen Green,2001 Discover all about the everyday lives of early American peoples by investigating in turn the lost civilizations of the Aztec Maya and Inca peoples and the enduring Arctic and Native American Indian cultures of the North

**Early Civilizations in the Americas** Sonia Benson,2005 Looks at the development of early civilizations in the Americas and provides profiles of prominent individuals

**Early Civilizations in the Americas** Sonia Benson,2005

**Early Civilizations in the Americas** Sonia Benson,Deborah J. Baker,2005 This volume features an overview of ancient civilization in general and focuses on the rise of the Andean civilization from the early urban centers to the Inca empire
