Rachel S Tattersall

Genius Guide To Wealth Dynamics Entrepreneurs:

Sack Your Boss Christian Rodwell, 2018-11-29 Have you reached that point in your job where you re thinking enough is enough In this book Christian Rodwell the Founder of Escape The Rat Race shows that there is a proven process anyone who is currently employed but looking to start their own business can follow The choices for someone wishing to exit a corporate 9 5 job and start a new business are numerous and this can easily lead to overwhelm confusion and over analysing the options for so long that you end up taking no action at all Finding enough time to fit your new business around your full time job and family commitments will also be a challenge which is why I ve dedicated an entire chapter to show you ways to overcome this Not everyone who wishes to quit the rat race and start a business knows exactly what business would be best suited to them initially This book will help you to get to know yourself better identifying your motives for wanting to sack your boss and answering the question what would I would love to do each day if money were no object Christian Rodwell has been through all of these challenges himself and has worked with over 1000 other escapees who are on the same journey Christian illustrates within this book his process for helping such individuals map out their very own 9 5 escape plan The Five Step Freedom Formula I ll guide you through the steps you need to take before you identify what your winning strategy is for starting a business you love At the end of this book you ll have all of the answers ready to complete your very own 90 Day Escape Plan a specific and personalised personal development plan which I have put together for you It can be downloaded for free by visiting www.fivestepfreedomformula.com Does this reflect how you feel right now about your current work life balance You feel trapped in a cycle of getting up to go to work each day trading your time for money You lack fulfilment doing work you re not passionate about in order to make other people more successful You re frustrated because you know that you are capable of achieving greatness but feel as if your current situation is holding you back You ve been struggling to get ahead financially and break free of bad debt You re fed up with standing on busy platforms wrestling for space with the rest of the herd every morning You re fed up with the internal company politics which you have to endure every day You feel limited by your earning potential and question if you re ever going to be in a position where you feel truly wealthy You never have any spare time to yourself to do the things you really want to or spend enough time with the people that mean the most to you You re fed up with having to ask permission from somebody else to allow you time off to do what s important to you You want to explore the world and be able to generate an income without being tied to any one specific location You know that there is a better quality of life waiting for you Did you answer yes to any of the above If escaping the rat race is something you want to do then take heart This is something I have done for myself and I work with people every week who are in the process of doing the same Based around a proven five step formula the author guides readers through every step of gaining true clarity on their life goals focusing their attention on achieving them and making that bold transition from frustrated employee to unstoppable entrepreneur They ll face everything from their deepest fears and hesitations to a true

and frank appraisal of their finances all intended to cut out fluff so they can crack on with productively taking action on building that business they've always dreamed of The 90 day escape plan I share is unlike anything they've seen before but I can almost guarantee it will change their life

Making of Entrepreneurs Perspectives, Methods, Models and Processes C. Joe Arun, *The Millionaire Master Plan* Roger James Hamilton, 2014-07-29 From an entrepreneur and investor an inspiring easy to follow guide to pinpointing understanding and improving your financial standing Expert Roger James Hamilton has designed nine steps in an accessible color coded manner that ranges from red barely living paycheck to paycheck all the way to ultra violet where generating income is simply no longer a worry First you'll take a quick test to determine where you are on the financial spectrum and then Hamilton provides key insights and practical tips on how you can progress to the next level You track your progress by ascending from one color to the next The Millionaire Master Plan is a unique and fresh approach to getting a sense of your personal financial status and more importantly how you can ascend even higher
