**Proceedings of the United States Naval Institute** United States Naval Institute,2012 *The Future of Strategy: A Transformative Approach to Strategy for a World That Won't Stand Still* Johan Aurik,Martin Fabel,Gillis Jonk,2015-01-02 Own the Future of Your Industry with a Transformational Strategy Designed for Today s Business World Leaders today are inundated with strategic opportunities besieged by business disruptions and pressured to innovate to do things better faster or differently The CEO of a Fortune 500 firm explains it best I am looking at 23 different strategic initiatives Trying to develop and implement so many strategies is like trying to change the driver tires the oil and the bumpers paint the body and tune the engine And doing all of this on a car that s running at full speed The answer used to be found in strategy But in the past decade the commonly deployed large scale strategic exercises were largely discredited They were slow and elaborate and did not deliver the expected returns let alone help make sense of a glut of initiatives or cope with an increasingly unpredictable future The Future of Strategy brings strategy back from those big top down plans It answers the questions of executives facing tumultuous business conditions and rapidly shifting markets Is strategy still possible Yes Aren t strategies outdated before they can be implemented Not if they are done right Rather than developing strategy aren t we better off being agile and able to capitalize on emerging trends faster than our peers Agility complements strategy it cannot replace it This book is about reversing course and repositioning strategy in its rightful place as the overarching management system The authors introduce their core methodology designed to future proof companies against the friction and fog of war that inexorably accompany changing times They synthesize three fundamental principles that when combined provide the means to reclaim strategy Take direct cues from fundamental trends affecting the company going forward Engage people across the company to translate these cues into strategy and effectively eliminate the handover hurdle between formulation and execution a major reason for strategy failure Capture the output as competitive opportunities and manage their life cycles when some have run their course others are ready to take over Strategy today requires stepping over the shadows of one s own ingrained beliefs to capture new opportunities This book reveals the inner workings of transformational strategies developed by leaders who gradually become more successful by advancing winning combinations of attitudes values habits and practices

*Crafting Naval Strategy* Bruce B. Stubbs,2021 *"We Choose to Go to the Moon"* David Christopher Arnold,2022 Strategists often ask With the means available right now what end can we achieve However in strategy design it can be more appropriate to ask What is the desired end and what means are available to achieve it The answer to this question may be If this is the desired end first this new capability has to be created Essentially what President John Kennedy was asking Vice President Lyndon Johnson in April 1961 was What means do I need

to generate if I want to beat the Soviets in a space race To succeed the United States had to use the available instruments and elements of national power to create new means to reach the desired end within the time frame that Kennedy set With the National War College National Security Strategy Primer as its guide and using primary and secondary sources this case study examines how Kennedy determined he could achieve his ends beat the Soviets in the world competition in a particular way shape the world conversation using means yet to be created the moon landing Publisher s description *Strategie = Umsetzung* Jacques Pijl,2024-01-17 Strategie Umsetzung bedeutet den Wandel voranzutreiben Die Strategieumsetzung ist der letzte Wettbewerbsvorteil denn Stärke Schnelligkeit und Beweglichkeit bei der Umsetzung sind wichtiger als eine perfekt ausgearbeitete Strategie die auf Machbarkeit und Vorhersehbarkeit beruht Das Buch zeigt auf brillante Weise dass Führung von grundlegender Bedeutung ist wenn es darum geht Menschen für Veränderungen zu begeistern weil sie den Nutzen sehen und in den Prozess eingebunden sind 20 % Strategie 80 % Umsetzung Das ist das Rezept für schnellere Verbesserung Erneuerung und Innovation Das Buch ist ein Muss für alle Führungskräfte und Unternehmer innen die die Strategieumsetzung als ihre Hauptaufgabe ansehen und nicht die Strategiedefinition
