Christopher offers a refreshing point of view as a seasoned practitioner and leader in the earliest days of the social media evolution. He describes the challenges of large-scale internal change and the rewards of integrating social media business planning, and he shares real-world examples of successful campaigns. Shauna Causey, Head of Social Media, Nordstrom. About the Book: In today's fast-paced professional climate, large companies are learning that launching a website and taking a wait-and-see approach to engaging customers is not enough. Competition is fierce, and those who master the social media space are the ones who come out on top. There is greater urgency than ever before to establish a vibrant social media program, and it all starts with a key strategist who can best organize and leverage all of the organization's resources to cut through the bureaucracy and get real-time results. This is where *The Social Media Strategist* comes in. Before tackling specific social media programs, you first have to get your own organization and everyone in it on board with making social media a business strategy priority.
