Acts Bible Study Discussion Questions Chapter 10:

Evangel-Lies Rob Peters, 2007-04 From Acts 6:10 Peters reveals how ordinary Christians can make a significant difference by sharing the story of salvation. He mines a wealth of information out of these chapters and applies the truths by exposing the lies Christians believe that prevent them from sharing their faith in Christ with others. **Christian Reading the New Testament for the First Time** Ronald J. Allen, 2012-07-09 The purpose of this book is to introduce the New Testament to those who have never read it. Ronald Allen offers a truly elementary guide to the New Testament's world, its story, and its message. *Reading the New Testament for the First Time* walks readers through the New Testament, covering key topics like these: how to find one's way around the New Testament; how and when the New Testament was written; important characters like Jesus, Paul, and the twelve disciples; big ideas found in the New Testament such as love, righteousness, and the realm of God; how to apply the New Testament to our lives today; and much more. Continent, 1918 **Mosher's Magazine**, 1898 **The Catholic Reading Circle Review**, 1895 The Sabbath Recorder, 1918 **Creative Meetings, Bible Lessons, and Worship Ideas** Youth Specialities, 1997 Nearly 200 ready-to-use ideas for hard-hitting Bible lessons and relevant worship services for teenagers. Bible Study Meetings: Techniques and approaches for making any Bible lesson topical or scriptural, appealing to unchurched teenagers as well as to preachers, kids. Creative Bible Lessons: Martha and Mary Malpractice page 67; Noah and the Ark I Q Test page 43 and 70; more very different, very fun, and very solid Bible lessons. Theme Lessons: Build an entire lesson on a specific theme. Try Feet Meeting page 118: foot games followed by a lesson on the symbolic importance of washing each other's feet. You aren't into feet? Okay, what about the hands of Jesus? Or the light versus darkness? They're all here. Bible Games: These won't speed your kids into seminary, but they certainly go a long way toward making the Bible interesting to your students and fun, too. Worship Services: Some are informal, others have a liturgical feel, and all are innovative. Here are the ideas for communion, confession, music, prayer, and Scripture reading. And More: Full lessons; all the components are here, from opening mixers to closing prayers, board games with reproducible game boards, and ideas for using guest speakers and special projects. Whether you're a youth worker or a recreation director at a church, school, club, or camp, *Creative Meetings, Bible Lessons, and Worship Ideas* is your storehouse of proven youth group-tested ideas.

Greever, D. A. Horton, Justin McLendon, 2025-06-01 Edited by Joshua M. Greever, D. A. Horton, and Justin McLendon. *Let Justice Flow Like Water* addresses the strained relationship between social justice, the gospel, and the mission of the church. In response to the misuse of Scripture to promote personal ends, the volume reorients the conversation around justice and centers it in the biblical text and its theological implications. The authors provide practical wisdom and points of application to pastors, ministry leaders, and

students The authors examine the most frequently cited texts on biblical justice through a coherent biblical and systematic theological method The result is a glimpse into God s heart for justice and his desire for humanity especially the church to share this heart The volume s theology is supplemented by practical guidance to pastors so that they can lead their churches to embrace the gospel and social justice properly understood Let Justice Flow Like Water serves as an irenic reminder to pastors students and educated lay people to return to the biblical text to understand it more accurately and to reengage and understand one another in a winsome fashion for the sake of the gospel the mission of the church and the glory of God
