Javascript The Good Parts:

JavaScript: The Good Parts Douglas Crockford,2008-05-08 Most programming languages contain good and bad parts but JavaScript has more than its share of the bad having been developed and released in a hurry before it could be refined This authoritative book scrapes away these bad features to reveal a subset of JavaScript that s more reliable readable and maintainable than the language as a whole a subset you can use to create truly extensible and efficient code Considered the JavaScript expert by many people in the development community author Douglas Crockford identifies the abundance of good ideas that make JavaScript an outstanding object oriented programming language ideas such as functions loose typing dynamic objects and an expressive object literal notation Unfortunately these good ideas are mixed in with bad and downright awful ideas like a programming model based on global variables When Java applets failed JavaScript became the language of the Web by default making its popularity almost completely independent of its qualities as a programming language In JavaScript The Good Parts Crockford finally digs through the steaming pile of good intentions and blunders to give you a detailed look at all the genuinely elegant parts of JavaScript including Syntax Objects Functions Inheritance Arrays Regular expressions Methods Style Beautiful features The real beauty As you move ahead with the subset of JavaScript that this book presents you ll also sidestep the need to unlearn all the bad parts Of course if you want to find out more about the bad parts and how to use them badly simply consult any other JavaScript book With JavaScript The Good Parts you ll discover a beautiful elegant lightweight and highly expressive language that lets you create effective code whether you re managing object libraries or just trying to get Ajax to run fast If you develop sites or applications for the Web this book is an absolute must *JavaScript* Douglas Crockford,2008 Javascript Douglas Crockford,2017-07-17 JavaScript was written to give readers an accurate concise examination of JavaScript objects and their supporting nuances such as complex values primitive values scope inheritance the head object and more If you re an intermediate JavaScript developer and want to solidify your understanding of the language or if you ve only used JavaScript beneath the mantle of libraries such as jQuery or Prototype this is the book for you This updated and expanded second edition of Book provides a user friendly introduction to the subject Taking a clear structural framework it guides the reader through the subject s core elements A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts This succinct and enlightening overview is a required reading for all those interested in the subject We hope you find this book useful in shaping your future career Business **JavaScript** Douglas Crockford,2009 Javascript incorporates some of the best and worst ideas in programming languages In this segment Doug Crockford introduces the Javascript programming language covering all of the core language features including numbers strings operators arrays objects and functions pointing out the good the bad and the ugly features of the language as he goes You ll learn about some common Javascript patterns why lambda is cool why you should never ever use eval and why you

should always declare everything   **JavaScript** Douglas Crockford,2013 JavaScript has bad parts that many times overshadow it s good parts Douglas claims JavaScript has some of the best parts of any programming language ever created He explains why in this course quizzes you on functional programming and covers the monad in the final lecture of the course   *JavaScript: The Definitive Guide* David Flanagan,2011-04-18 A revised and updated edition offers comprehensive coverage of ECMAScript 5 the new JavaScript language standard and also the new APIs introduced in HTML5 with chapters on functions and classes completely rewritten and updated to match current best practices and a new chapter on language extensions and subsets   **Professional JQuery** Cesar Otero,Rob Larsen,2012-05 A complete in depth look at jQueryIf you re looking for a single resource that completely encompasses jQuery and related technologies then look no further This authoritative guide dives right into exploring jQuery the leading framework used for standards based client side web development You ll discover how jQuery is structured so that it can be used to accomplish a wide range of tasks and you ll learn how to integrate jQuery into your web pages The authors provide helpful lessons and valuable examples so that you can get a firm grasp on how best to maximize the capabilities of jQuery B   *The Official Raspberry Pi Projects Book Volume 1* The Makers of The MagPi magazine,2015-11-01 The Official Raspberry Pi projects book returns with inspirational projects detailed step by step guides and product reviews based around the phenomenon that is the Raspberry Pi See why educators and makers adore the credit card sized computer that can be used to make robots retro games consoles and even art In this volume of The Official Raspberry Pi Projects Book you ll Get involved with the amazing and very active Raspberry Pi community Be inspired by incredible projects made by other people Learn how to make with your Raspberry Pi with our tutorials Find out about the top kits and accessories for your Pi projects And much much more If this is your first time using a Raspberry Pi you ll also find some very helpful guides to get you started with your Raspberry Pi journey With millions of Raspberry Pi boards out in the wild that s millions more people getting into digital making and turning their dreams into a Pi powered reality Being so spoilt for choice though means that we ve managed to compile an incredible list of projects guides and reviews for you This book was written using an earlier version of Raspberry Pi OS Please use Raspberry Pi OS Legacy for full compatibility See magpi cc legacy for more information   **Core HTML5 Canvas** David M.
