## INTERVIEW QUESTIONS

**How do you stay updated with changes in tax regulations?**

I stay updated with tax regulations by subscribing to industry newsletters, participating in webinars and professional development courses, and regularly reviewing updates from tax authorities. Additionally, I network with other accounting professionals and consult with tax experts to ensure that I'm aware of any changes that could affect my work.

**What is the difference between accounts payable and accounts receivable?**

Accounts payable represents the amounts a company owes to its suppliers or creditors for goods and services received. Accounts receivable, conversely, represents the amounts owed to the company by its customers for sales made or services provided. Essentially, accounts payable is a liability on the balance sheet, while accounts receivable is an asset.
