The Dream of Water Kyoko Mori, 1996-01-16 POETIC REMARKABLY

HONEST Mori describes her experiences with an admirable mixture of forthrightness and restraint The Wall Street Journal In an extraordinary memoir that is both a search for belonging and a search for understanding Japanese American author Kyoko Mori travels back to Kobe Japan the city of her birth in an unspoken desire to come to terms with the memory of her mother s suicide and the family she left behind thirteen years before Throughout her seven week trip Kyoko struggles with her ever present past and the lasting guilt over her mother s death Although she meets with beloved cousins and other relatives she agonizes over the frustrating relationship she barely maintains with her fierce father and selfish stepmother Searching for answers Kyoko attempts to find a new understanding of what her father is really like and how it has affected her own place in two distinct worlds As her time to leave draws near Kyoko begins to understand that her family connections may be a powerful cry of the heart but it is the new world that has given her escape from a lonely past and the power to believe in herself A COMPELLING MEMOIR LYRICAL Seattle Times Post Intelligencer ASTONISHINGLY BEAUTIFUL Through the clarity filters the beauty of a large heritage that Mori is by now too American to share but still Japanese enough to appreciate its redeeming value and to be in some measure restored by it Los Angeles Times Book Review MAGICAL ENLIGHTENING San Francisco Chronicle **Illinois Technograph** ,1956 *Big Book of Home Learning* Mary Pride,1991-07 Learn at home with exciting products for all school subjects New **The Century Dictionary and Cyclopedia** William Dwight Whitney,Benjamin Eli Smith,1909 Ohio Schools ,1966 **The Century Dictionary Supplement** ,1909 **Farm Life and Agricultural Epitomist** ,1911 *Math Advantage, Grade 3* Harcourt Brace Publishing,1997-06 National Stockman and Farmer ,1915 **Children's Books in Print, 2007** ,2006 **Popular Computing** ,1984
