## **S Think Big Unleashing Your Potential For Excellence:**

**Think Big** Ben Carson, Cecil Murphey, 1996 Ben Carson shares the story of how he transformed himself from the dumbest student in his fifth grade class into a Yale graduate and pediatric neurosurgeon and tells of some of the people who inspired him to achieve in his studies and in life *Take the Risk* Ben Carson, M.D., 2009-05-26 By avoiding risk are you also avoiding your life's full potential Join acclaimed neurosurgeon Dr Ben Carson as he explores the life changing power of taking the risk even if you're afraid In our risk avoidant culture we place a high premium on safety We insure our vacations We check crash tests on cars We extend the warranties on our appliances But by insulating ourselves from the unknown the natural risks of life we miss the great adventure of living our lives to their fullest potential Dr Ben Carson spent his childhood as an at risk child on the streets of Detroit and he took big risks in performing complex surgeries on the brain and the spinal cord Now offering inspiring personal examples Dr Carson invites us to embrace risk in our own lives In *Take the Risk* Dr Carson examines our safety at all costs culture and the meaning of risk and security in our lives *Take the Risk* guides you through an extensive examination of risk including Risk taking in history An assessment of the real costs and rewards of risk Learning how to assess and accept risks Understanding how risk reveals the purpose of your life From a man whose life dramatically portrays the connection between great risks and greater successes the insights Dr Carson shares in *Take the Risk* will help you dispel your fear of risk in order to dream big aim high move with confidence and reap the rewards of wise risk taking Praise for *Take the Risk* Whether you are a world renowned neurosurgeon a CEO or a teacher this book applies to anyone who ever wondered about the difference between the pacesetters and those who struggle to keep up It is the pacesetters who *Take the Risk* and this book explains when and why to take risks to empower everyone to become a trailblazer rather than a mere spectator For anyone who wants to rise above mediocrity this book is a must read Armstrong Williams author and radio host *The Armstrong Williams Show* **Hope** Charlene Moorer, NCC LPC, 2022-08-25 *Hope Heart of Peaceful Endurance A Godly Resilience* In our ever evolving world where nefarious happenings are occurring regularly and positivity seems to be obscure we all seem to be searching for hope It is the possession we need and perhaps long for to encourage every passing day When things look impossible or in despair we have to build up our hope and lean on our faith Hope is a skill In this easy to read yet powerful book Charlene takes you through five practical steps on employing your hope skills There is exploration through subjective and dictionary definitions of hope before introducing the steps of this indistinct skill In addition we will journey through ways that hope can be stolen and conversely how we can sustain or reinforce our hope through action even during trying times We are more resilient than we give ourselves credit By using Bible verses real life narratives constructive levity and pragmatic ingenuity the goal is to convey to the reader how to identify and utilize the hope steps how to prevent the enemy from stealing your hope why you have to watch your words or words spoken over you what the Bible has to say about hope how to look for the butterfly moments and pursue resilience how antagonistic feelings

can affect your hope why hope is the link between faith and wellness where our hope comes from why you are worth it and being kind to yourself During tough times hope is not the easiest to hold on to However it is the best gift you can give yourself Be encouraged and allow God to minister to you Happy reading , **My Life** Ben Carson, M.D.,2015-07-14 Ben Carson grew up in the inner cities of Boston and Detroit with his mother and brother When his father deserted the family Ben s mother worked several jobs to support her boys yet worked even harder to encourage them to get an education and follow their dreams Ben s dreams nearly ended when his anger at being poor and the ridicule of a school mate caused him to snap he lunged at the boy and cut him with a knife That brush with attempted murder caused Carson to break down and ask God to turn him around And turn him around he did A poor student Carson under the guidance of his mother and brother became the best student in his class his school and ultimately earned a scholarship to Yale The next time he used a knife was as a neurosurgeon at Johns Hopkins Hospital where he pioneered surgery techniques that not only saved lives but miraculously gave countless children an amazing quality of life My Life is the story of a young boy who could have remained trapped in poverty were it not for his mother s tough and sacrificial love his own perseverance that he learned from her example and his deep faith that called him to do great and mighty things This book contains a new chapter about Dr Carson s philosophies of serving one s country becoming role models for people with disadvantaged backgrounds using the talents God has given you embracing what success really is and believing youths and adults alike that with hard work and perseverance you can do it And on May 4 2015 Dr Ben Carson declared himself a candidate for the Presidency of the United States of America **You Have a Brain** Ben Carson, M.D.,2015-02-03 Eight proven principles to help you overcome your self doubt conquer your fear of the future reverse negative thoughts about yourself and hurdle any other obstacles standing between you and your dreams But instead of letting his circumstances control him Dr Carson took control of his attitude and actions leading to his discovery of eight straightforward but revolutionary principles that helped shape his future In You Have a Brain Dr Carson unpacks the eight important parts of T H I N K B I G Talent Honesty Insight Being Nice Knowledge Books In Depth Learning and God and presents the stories of people who demonstrated those things in his life Through the advice and real world examples laid out in these pages you will learn how to incorporate these T H I N K B I G principles into your own life so that you like Dr Carson can embrace an amazing future filled with incredible success You Have a Brain Includes discussion questions at the back of the book Unpacks the eight essential parts of Thinking Big Talent Honesty Insight Strong People Skills Knowledge Books In Depth Learning and God Is written by Dr Ben Carson a world renowned neurosurgeon former presidential candidate and current Secretary of Housing and Urban Development HUD Teaches great life lessons for young men and women Is the perfect gift for high school and college graduations birthdays and confirmations and a great addition to YA book clubs and YA study groups **The Data Toolkit** Robert T.
