Most international exams such as TOEFL and IELTS require candidates to speak fluently and accurately about unfamiliar topics. Developing this skill requires not only practice and thinking time but also consistent corrective feedback to help learners refine their accuracy and reduce hesitation. Without this preparation, many students face difficulties in the exam and fall short of their desired scores. *Speaking Bridge* is a bridging workbook designed to close this gap. It gives learners the chance to practice speaking about unfamiliar topics in a structured way, focusing on both fluency and accuracy. The workbook can be used flexibly, either in a classroom setting under the guidance of a teacher or independently by motivated learners. The *Speaking Bridge* approach works in three stages: Preparation before class or practice, learners prepare ideas on unfamiliar discussion topics which activates their passive linguistic knowledge and helps them retrieve complex grammar they already know but rarely use. Speaking in a stress-free environment, learners engage in debates or discussions where they can express their ideas without pressure, practicing fluency while building confidence. Corrective feedback: learners receive feedback during or after their speaking tasks, which helps them notice and overcome errors and gradually improve their speaking accuracy. Through this process, *Speaking Bridge* offers learners a systematic way to practice the exact type of speaking skills required in international exams: fluency, accuracy, and the ability to communicate clearly on unfamiliar topics.

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
