 embracing the relaxed rhythms of nature and discovering the meaningful gift of growing slow We long to make a break from

 us stressed empty and out of sorts perhaps this can be our cue to step into a far more satisfying sustainable pace In this
 crafted inspiring read beloved author Jennifer Dukes Lee offers a path to unhurried living by returning to the rhythm of the
 land and learning the ancient art of Growing Slow Jennifer was once at breaking point herself and tells her story of rude
 awakening to the ways her chosen lifestyle of running hard scaling fast and the neverending chase for results was taking a
 toll on her body heart and soul But when she finally gave herself permission to believe it takes time to grow good things she
 found a new kind of freedom With eloquent truths and vivid storytelling Jennifer reflects on the lessons she learned from
 living on her fifth generation family farm and the insights she gathered from the purposeful yet never rushed life of Christ
 Growing Slow charts a path out of the pressures of bigger harder faster and into a more rooted way of living where the
 growth of good things is deep and lasting Following the rhythms of the natural growing season Growing Slow will help you
 Find the true relief that comes when you stop running and start resting in Jesus Learn practices for unhurrying your heart
 and mind every day Let go of the pressure and embrace the small good things already bearing fruit in your life And engage
