**Rhetorics in the New Millennium** James D. Hester, 2010-06-10 Some of the most renowned modern practitioners of New Testament rhetorical criticism including Elisabeth Schussler Fiorenza Wilhelm Wuellner and the editors themselves provide new rhetorical readings of New Testament texts Organized into three distinct sections *Rhetorics in the New Millennium* provides a cutting edge approach to this thorny issue in biblical studies The first section is a collection of three essays that are primarily theoretical in nature and concerned with examining general theories of rhetoric The second section is a series of specific studies each using a different accepted theoretical model to analyze a given text The final section presents valuable appendices which summarize information about the content of certain theoretical models of criticism Finally a bibliography listing a wide variety of rhetorical critical studies and reference works is included

**Sourcebook on Rhetoric , Rhetoric and Discourse in Supreme Court Oral Arguments** Ryan A. Malphurs, 2013 While legal scholars psychologists and political scientists commonly voice their skepticism over the influence oral arguments have on the Court's voting pattern this book offers a contrarian position focused on close scrutiny of the justices communication within oral arguments Malphurs examines the rhetoric discourse and subsequent decision making within the oral arguments for significant Supreme Court cases visiting their potential power and danger and revealing the rich dynamic nature of the justices interactions among themselves and the advocates In addition to offering advancements in scholars understanding of oral arguments this study introduces Sensemaking as an alternative to rational decision making in Supreme Court arguments suggesting a new model of judicial decision making to account for the communication within oral arguments that underscores a glaring irony surrounding the bulk of related research the willingness of scholars to criticize oral arguments but their unwillingness to study this communication With the growing accessibility of the Court's oral arguments and the inevitable introduction of television cameras in the courtroom this book offers new theoretical and methodological perspectives at a time when scholars across the fields of communication law psychology and political science will direct even greater attention and scrutiny toward the Supreme Court

**Sourcebook on Rhetoric** James Jasinski, 2001-07-19 This book is designed to introduce readers to the language of contemporary rhetorical studies The book format is an alphabetized glossary with appropriate cross listings of key terms and concepts in contemporary rhetorical studies An introductory chapter outlines the definitional ambiguities of the central concept of rhetoric itself The primary emphasis is on the contemporary tradition of rhetorical studies as it has emerged in the discipline of speech communication Each entry in the glossary ranges in length from a few paragraphs to a short essay of a few pages Where appropriate examples are provided to further illustrate the term or concept Each entry will be accompanied by a list

of references and additional readings to direct the reader to other materials of possible interest

**Black Women and Popular Culture** VaNatta S. Ford,Adria Y. Goldman,Alexa A. Harris,Natasha R. Howard,2014-07-30 With the emergence of popular culture phenomena such as reality television blogging and social networking sites it is important to examine the representation of Black women and the potential implications of those images messages and roles Black Women and Popular Culture The Conversation Continues provides such a comprehensive analysis Using an array of theoretical frameworks and methodologies this collection features cutting edge research from scholars interested in the relationship among media society perceptions and Black women The uniqueness of this book is that it serves as a compilation of hot topics including ABC s Scandal Beyonc s Visual Album and Oprah s Instagram page Other themes have roots in reality television film and hip hop as well as issues of gender politics domestic violence and colorism The discussion also extends to the presentation and inclusion of Black women in advertising print and digital media

Buffy Meets the Academy Kevin K. Durand,2014-01-10 This book presents serious academic scholarship on Buffy the Vampire Slayer It differs from other works because it uses Buffy as a primary text and not as a secondary instrument to explore other concepts In doing so it demonstrates that popular culture studies should be approached with the same serious attention that is paid to classic philosophy and other long established fields Essays assemble the Buffy canon and explore how Buffy treats Shakespeare comics power sisterhood apocalyptic revisionism folklore feminism redemption patriarchy identity and education Instructors considering this book for use in a course may request an examination copy here

*The Rhetoric of Western Thought* James L. Golden,2003

**Peacemaking Through Communication** Rod Troester,Colleen Elizabeth Kelley,1991

**John Bunyan's Master Story** Daniel V. Runyon,2007 This study demonstrates that with The Holy War John Bunyan created a literary masterpiece in the tradition of Psychomania by Prudentius and set the standard by which to judge battle allegories This analysis reveals the roots of Bunyan s genius in both his theological and literary sensibilities shaped by Luther and Foxe and his comprehensive understanding of the biblical plot or master story This work details biblical foundations and literary devices employed by Bunyan which have remained unnoticed in previous studies while also engaging themes or motifs of importance to him as a writer and thinker

**Interpreting Communication Research** Lawrence R. Frey,1992 Case study approach to communication research

**The Art of Rhetorical Criticism** Jim A. Kuypers,2005 Covering a broader range of rhetorical perspectives The Art of Rhetorical Criticism presents a thorough accessible introduction to rhetorical criticism Throughout the text sample essays written by experts in the field provide students with models for writing their own criticism In addition to covering traditional modes of rhetorical criticism The Art of Rhetorical Criticism presents less commonly discussed rhetorical perspectives for example mythic criticism framing analysis and ideographical criticism exposing students to a broad range of material Features Each chapter and sample essay is written by a nationally recognized scholar in that field ensuring that students are offered the best and most current research for each perspective Each author comments on his or

her writing process to demonstrate the very personal nature of criticism. With this unique emphasis, students will begin to appreciate that writing criticism is an artistic process and not a simple formula. The Potentials and Pitfalls feature in each chapter highlights the strengths and weaknesses, pros and cons of the rhetorical perspective being discussed. Each chapter includes a short, accessible sample essay written specifically with the student audience in mind, offering students a model of rhetorical criticism for their own assignments.

*American Rhetorical Discourse*, 1995. Building on the success of the first edition, this revised anthology covers a broad range of discourses dealing with civic affairs. This collection better reflects the diversity of speakers throughout American history.

*Comics & Ideology*. Matthew P. McAllister, Edward H. Sewell, Ian Gordon, 2001. Superman's role in romanticizing commercialism, sexual violence in Japanese manga comics, Wonder Woman as Americanized immigrant, reader's reactions to the gay superhero Northstar, Dilbert as a workplace revolutionary, the Punisher's invasion of Vietnam—these are a few of the issues that *Comics Ideology* addresses. Focusing on the intersection of social power and comic art, essays in this book explore how images and narratives in comic books and comic strips may portray social groups and social issues. As a scholarly examination of a form known as the funnies or funny books, this book argues that the themes and characterizations in comic art are often quite serious. Essays take diverse theoretical perspectives such as cultural studies, political economy, feminist criticism, queer studies, and mythic analysis, all focusing on the relationship of comics to issues of social division.

**The Jesus Newspaper**. Michael Ray Smith, 2002. Can journalism be Christian? In *The Jesus Newspaper*, Michael Ray Smith explores this idea in a case study where a clergyman took over a mainstream newspaper for one week and produced what he considered was the kind of news Jesus would print if he were an editor. The newspaper was a sensation, but Smith reveals the danger in neglecting story telling in news.

*The Cold War as Rhetoric*. Lynn B. Hinds, Theodore O. Windt, 1991-09-30. Rhetoric. Lynn Boyd Hinds and Theodore Windt argue is central to shaping both political consciousness and political culture. In this important new contribution to Praeger's Series in Political Communication, they examine how the rhetoric of the early Cold War years was used to create and develop a national and international reality. The pervasive political view of events, motives, actions, and policy was largely created in the years between 1945 and 1950 and grew from a pre-existing set of rhetorical beliefs, as well as from the political speeches and pronouncements of the time. Hinds and Windt focus their study on American rhetoric applied to Soviet-American relations, centering essentially on Europe. They offer a brief outline of the theoretical principles used in their analysis and follow with a look at certain images of the USSR selected for use by American politicians. In subsequent chapters, the authors trace developments from the end of World War II to Winston Churchill's Iron Curtain speech, thoroughly explore the British leader's address and its effect in dividing the world into two warring camps, analyze the writing and presentation of the 1947 Truman Doctrine and its suggestion of two ways of life, and detail the Truman Loyalty Program and the 1947 House Committee on Un-American Activities hearings in Hollywood. The remaining chapters discuss George Marshall's address

originating the European Recovery Act George Kennan s Sources of Soviet Conduct contemporary critics and such proofs as the Korean War which showed the rhetoric to be correct This work will be an important reference tool for courses in political communication American history political science and presidential studies and a useful addition to library collections
