Concept and Subjects of Int'l Economic Law

Sec. I Introduction

- 1, Sovereign States: In some western countries, a few scholars hold that only sovereign states can be actors in international economic law, such as Lowenfeld, who composed a book titled *International economic law*, and British professor, *G.Schwarzenberger: General principles of law as applied by international courts and tribunals*.

These scholars holds that, international economic law is just a branch area of international law.

- 2, Besides sovereign states, the corporate entities, including multinational enterprises and natural persons are also subjects of international economic law. The Chinese scholars of international economic law and many foreign scholars, such as P. Jessup and H.J Steiner and D.F. Vagts. They all have the opinion that international economic law is a body of norms dealing with the economic relationships in between/amongst states, corporations and natural persons.
