The Clash of Generations Laurence J. Kotlikoff,Scott Burns,2012-03-23 How America went bankrupt and how we can save ourselves as a country and as individuals from economic disaster The United States is bankrupt flat broke Thanks to accounting that would make Enron blush America s insolvency goes far beyond what our leaders are disclosing The United States is a fiscal basket case in worse shape than the notoriously bailed out countries of Greece Ireland and others How did this happen InThe Clash of Generations experts Laurence Kotlikoff and Scott Burns document our six decade off balance sheet unsustainable financing scheme They explain how we have balanced our longer lives on the backs of our relatively few children At the same time we ve been on a consumption spree saving and investing less than nothing And that s not to mention the evisceration of the middle class and a financial system that has proven it can t be trusted Kotlikoff and Burns outline grassroots strategies for saving ourselves and especially our children from what could be a truly catastrophic financial collapse Kotlikoff and Burns sounded the alarm in their widely acclaimedThe Coming Generational Storm but politicians didn t listen Now the need for action is even more urgent It s up to us to demand radical reform of our tax system our healthcare system and our Social Security system and to insist on better paths to investment return than those provided by Wall Street mis managers Kotlikoff and Burns s Purple Plans so called because they will appeal to both Republicans and Democrats have been endorsed by a who s who of economists and offer a new way forward and their revolutionary investment strategy for individuals replaces the idea of financial capital with life decision capital Of course we won t be doing all this just for ourselves We need to fix America s fiscal mess before our kids inherit it <https://www.youtube.com/watch?v=IMKw76lBn0k> feature [youtube_gdata_player](#)
