The Digital Nomad Blueprint Salvador Briggman, 2020-06-04 Can you actually become a digital nomad? Can you really achieve location independence, travel the world and work from anywhere? YES. And now is the best time to do it. There is a window of opportunity and who knows how long it will be open for. I started my location independent business back in 2012 and I've been traveling the world going to exotic locations like Chang Mai Thailand, Medellin Colombia and even areas off the beaten path like El Tunon El Salvador. Over the last 8 years I've deconstructed the digital nomad lifestyle into a science. I've broken down step by step how to earn income, travel around the world, meet cool people and what's more, do it legally. Haha. While enjoying the laptop lifestyle I also noticed that it comes with its own set of problems. As I got older I started to wonder about things like Health Insurance, Paying Taxes, Longterm Visa Requirements, Safety, Security. I put together this digital nomad framework so that you can hit the ground running. Rather than waiting years to pursue your dream, you can get started within the course of 60 days. These are practical and powerful strategies to immediately see progress towards this dream. It's a surefire formula for earning a location independent income online along with some freshly minted insights into the BEST places to travel around the world as a digital nomad. I've broken this entire system down into three major components: I. Income independence: earn income anywhere. L. Location selection: choose the best digital nomad hub for your needs. L. Lifestyle mastery: knowing how to make friends, safeguard your health and more. You'll gain profound clarity once you get your hands on these resources which I deliver in an easy to digest, bite-sized manner. How many years have you already wasted dreaming about the digital nomad lifestyle? This time next year would you rather be stuck in traffic on the way to your 9-5 job or sipping on an iced coffee, answering some emails, taking in the sun and relaxing on a pristine beach in Thailand? This is your passport to a totally new career lifestyle and future. All you gotta do is claim it as yours.

[How to Become a Digital Nomad](#) Annie Erling Gofus, Team TripScout, Konrad Waliszewski, 2017-06-27 How to Become a Digital Nomad is the most practical step by step guide to living a location independent digital nomad lifestyle regardless of your career while making money and doing the work you love. This book is not written in the hypothetical. It is not motivational and philosophical fluff. It is not for backpackers who simply want to teach English. It is not for the independently wealthy travelers.

or Instagram stars It is written by real digital nomads who have made a life and career doing what they love where they love doing it For those who like their job we provide an actionable guide to help you convince your employer and transition your work to be remote For those who don't like their job we will teach you how to find location independent jobs start a business earn money as a freelancer or consultant and sell your digital nomad lifestyle as a perk to potential clients customers or employers We dive in deep on the following topics Turn any skill into a location independent career Find a remote job or consulting freelance clients Start and run a business abroad Best places to travel and work as a digital nomad Co working spaces and digital nomad hubs communities around the world Organized digital nomad programs like Remote Year Visa requirements for digital nomads Packing and preparing to become a digital nomad Important resources for digital nomads Required technology hardware and software Staying productive while traveling Overcoming the inevitable psychological impacts Common barriers e.g kids pets debt and medical concerns Manage and collaborate with distributed teams effectively Legal tax and financial implications of the digital nomad lifestyle How to sell your digital nomad experience to potential employers or customers Insights from some of the world's most successful digital nomads The relationship between the work we do and where we do it has changed With productivity moving to the cloud for nearly every industry the days where work is a place are over We believe that what you do no longer depends on where you do it so you should do it wherever you are most productive creative and happy We will help you create a life that you don't need a vacation from Konrad Waliszewski is a modern day Marco Polo Forbes *Digital Nomad Lifestyle in Dahab, Egypt.
