th 2002 DEXA the 13 International Conference on Database and Expert Systems Applications was held on September 2 6  
2002 at the Universit Aix Marseille II France The quickly growing field of information systems required the establishment of  
more specialized discussion platforms the DaWaK conference EC Web conference eGOV conference and DEXA workshops  
and there were held in parallel with DEXA also in Aix en Provence The resulting book was prepared with great effort Starting  
with the preparation of submitted papers the papers went through the reviewing process The accepted papers were revised  
to final versions by their authors and arranged to the conference program This year 241 papers were submitted and our  
thanks go to all who have contributed The program committee and the supporting reviewers produced altogether about 730  
referee reports on average three reports per paper and selected 89 papers for presentation The papers presented here  
encompass the extensive domain of databases together with the other conferences and workshops of the DEXA event cluster  
a vast part of applied computer science was covered In this way DEXA has blazed the trail At this point we would like to  
acknowledge to all institutions which actively supported this conference and made it possible These are IUT Universit Aix
