Keyword Research Guide Jennifer Ledbetter, 2009 **School Library Journal**, 2007-09 **Keyword Research Guide , Collaborative Learning Through Computer Conferencing** Anthony R. Kaye, 2012-12-06 The idea for the Workshop on which this book is based arose from discussions which we had when we both attended an earlier and more broadly based NATO Advanced Research Workshop on Computer Supported Collaborative Learning directed by Claire O Malley in Maratea Italy in 1989 We both felt that it would be interesting to organise a second Workshop in this area but specifically concerned with the use of computers and networking telematics as communication tools for collaborative learning outside the formal school setting We were particularly interested in examining the ways in which computer conferencing can be used for collaboration and group learning in the contexts of distance education adult learning professional training and organisational networking And we wanted to ensure that we included in the scope of the Workshop situations in which learning is a primary explicit goal e g an online training programme as well as situations where learning occurs as a secondary even incidental outcome of a collaborative activity whose explicit purpose might be different e g the activities of networked product teams or task groups Another goal was to try to bring together for a few days people with three different perspectives on the use of computer conferencing users researchers and software designers We hoped that if we could assemble a group of people from these three different constituencies we might collectively be able to make a small contribution to real progress in the field
