minimalism with this step by step guide Buy it now to learn how Chapter 1 Excerpt Minimalism Beginners Guide to Minimalism What is Minimalism Minimalism is the processes of scaling back from having too much to having just enough People take on minimalism because they want freedom from things in their lives Be it material possessions toxic relationships or mental clutter minimalism has become the go to lifestyle for more millennials today It is not a lifestyle that caters for the youth any person despite the age can adopt the practice in their life Even if minimalism advocates for having fewer things that doesn t mean that material possession is bad The idea here is to have the things that one needs and appreciates in their life today Keeping things that no longer serve you or buying stuff because of a scarcity mentality is highly discouraged The reason this lifestyle is gaining popularity is that more and more people are starting to realize the value we attach to items The fact that most of us cannot separate our memories and emotions from material things is alarming The amount of consumerism in the world is also at an all time high People have always loved things but not as much as they do now that there is so much access thanks to technology Minimalism allows someone to make their list of things they need to keep You may still retain most of the stuff you have if you decide that you need them No two people can have the same wants or needs Whatever you think is trash could be relevant to someone else The guiding principle here is to look within yourself and make a deliberate conscious decision on what you want to keep or throw away For anyone that is wondering if this lifestyle is for them they need to ask themselves a few questions Would I benefit from scaling down Do I attach so much value to material possessions Am I holding on to baggage that I need to let go I am not saying that these are the only questions there are to be asked Every person is attracted to the lifestyle because of different reasons But they only become true minimalists if when they are free to focus on what they deem essential Our Book Covers the Following Topics Minimalism For Beginners Minimalism digital minimalism minimalism for families minimalist living minimalism home declutter your mind
