Stein,Jessica Stein,2013-11-14 Failing schools have become the latest academic cottage industry and they serve as lightning
rods for the controversy that continues to surround the No Child Left Behind Act of 2001 Surprisingly there are only a
handful of books that address the topic of turning around failing schools and even fewer that provide a meaningful discussion
on how individual schools should avoid failure from the outset This book will help public school educators understand that
turnaround efforts are based on sound leadership principles nothing more nothing less It also provides school leaders with
the critical skills to turn around failing schools and more importantly prevent their schools from failing in the first place
Individual chapters address topics such as setting institutional priorities establishing a positive school culture improving
communications developing classroom leadership putting the school on a sound financial footing and using data to guide the
school turnaround In essence this book serves as a practical guide for instructional and institutional leaders on how to make
a real difference in the success of our nation s schools **The Academy of Management Review** Academy of
