5th Edition Health Care Marketing [Essentials] Book Holman, 2021-04-05 Essentials of Health Care Marketing Fifth Edition provides students with a foundational knowledge of the principles of marketing and their particular application in health care. Offering an engaging and accessible approach, the Fifth Edition of this highly current text offers new or expanded content on social media and digital marketing, a thorough consideration of ethics, the impact of technology on marketing and health care, and additional multimedia to add relevance and further engage students. New to the Fifth Edition: New chapter on Marketing in the Digital Age discusses new disruptive competitors in health care, digital influences along the stages of the patient journey, the Internet of Things (IoT) and its effect on marketing, and more. Sixteen new cases highlight the impact of COVID-19, the marketing of the patient portal, the impact of mergers in health care on organizational culture, social media influences, and related current topics. Links in every chapter connect students to valuable digital resources, including video and web links that illuminate chapter concepts and provide a basis for classroom discussion. New OTT distribution models such as Apple TV and Roku in advertising, and how technology impacts aging place for growing senior demographic. Significantly enhanced discussion of transparency in government, consumer and corporate responses around price, including a new section on value-based payment models. New capstone chapter 16 on ethical considerations in marketing covers areas of topical interest and debate in health care marketing.

Forthcoming Books Rose Arny, 2001-06 Essentials of Marketing Research William Zikmund, Barry Babin, 2009-04-20

In response to market feedback, ESSENTIALS OF MARKETING RESEARCH 4th was developed directly from the ninth edition of Barry J. Babin and William Zikmund's best-selling Exploring Marketing Research text. ESSENTIALS OF MARKETING RESEARCH focuses on students as managers, not practitioners of marketing research. It addresses the design, collection, analysis, and reporting of marketing research data relevant to a firm's current and future needs, but it is designed specifically for instructors who prefer a more concise introduction to marketing research topics.
