

### 9. An ISMS Scope - Example

The scope of the XXX ISMS applies to the provision of telephony services to customers from its head office in Birmingham. It covers the management of information and business activities that support these services; in accordance with the ISMS Statement of Applicability revision 03, dated 21/Sept/20xx.

The scope includes staff and assets that support this function based at the head office.

The scope also includes XXX's assets that support this function based at the following third party data centre:

- Data Hosting, Wembley

The third party Data Centre is covered by virtue of contractual agreement which specifies XXX's security requirements; therefore any aspect relating to the physical location (i.e. security and utilities) of this Data Centre will not form part of the scope.
