Of Thine Own Have We Given Thee Shawn O. Strout,2023-04-13 Every Sunday around the world Christians offer money and in kind gifts to the church traditionally known as alms For communities that celebrate the Eucharist regularly bread and wine traditionally known as oblations often accompany these gifts What does it mean theologically for Christians to offer gifts to God who first offered the greatest gift of Jesus Christ This question regarding the role of alms and oblations in the liturgy was among the most controversial questions of the English Reformations in the sixteenth century While the eucharistic prayer proper has often been the site of this theological controversy the offertory rite has also received great

attention The 1552 English Book of Common Prayer excised all references to oblation in the offertory rite but oblationary language and actions such as the offertory procession returned in full force by the twentieth century The movement from the near elimination of oblation in the offertory rite to its widespread usage in the churches of the Anglican Communion is a remarkable liturgical and theological development Using liturgical theology's tools of historical textual and contextual analyses this book explores how this development occurred and why it is important for the church today Human Rights, Export Credits and Development Cooperation Barbara Linder, 2019-12-27 This book analyses to what extent the current human rights system allows affected individuals to claim accountability for human rights violations resulting from bilateral development and export credit agency supported undertakings The author explores three legal pathways host state responsibility home state responsibility and corporate responsibility The book concludes with recommendations on how to strengthen human rights accountability and improve access to justice for adversely affected individuals It will be of great interest to those researching the intersection between human rights development cooperation and investment
