## **A Time To Kill Ebook:**

**A Time to Kill** John Grisham, 2004-03-15 1 NEW YORK TIMES BESTSELLER John Grisham's first novel is a searing courtroom drama that probes the savage depths of racial violence and introduced the world to fearless lawyer Jake Brigance. John Grisham may well be the best American storyteller writing today. The Philadelphia Inquirer. The life of a ten-year-old black girl is shattered by two drunken and remorseless white men. The mostly white town of Clanton in Ford County, Mississippi, reacts with shock and horror at the inhuman crime until the girl's father acquires an assault rifle and takes justice into his own hands. For ten days as burning crosses and the crack of sniper fire spread through the streets of Clanton, the nation sits spellbound as defense attorney Jake Brigance struggles to save his client's life and then his own. Look for all of John Grisham's gripping Jake Brigance novels: *A Time to Kill*, *Sycamore Row*, *A Time for Mercy*. *A Time to Kill* John Grisham, 1996. A Southern town is shocked when a 10-year-old black girl is raped by two white men until the girl's father takes the law into his own hands. *A Time To Heal* David Mack, 2012-09-18. A cataclysmic war between the Federation and the Klingon Empire has been miraculously averted and a new government is finally in place on the planet Tezwa. But deadly secrets still threaten the fragile peace accord. Rebels loyal to the old Tezwa regime have captured Commander Riker and are willing to kill to achieve their goals. The mysterious Orion Syndicate is interfering in the rebuilding and may also be involved in much more than that. But the most devastating revelation of all threatens the very foundations of the Federation itself, leaving Captain Picard to possibly face the very conflict that he labored so hard to prevent. **A Time to Kill** John Grisham, 1993. When a ten-year-old Black girl is brutally raped by two drunken white men in the small southern town of Clanton, Mississippi, the ensuing tension and violence threaten to destroy the town. Neverborn Jackson Badgenoone, 2018-04-23. Did you ever have a period of time in your life when the whole world crashed in on you? Rachael, the principal character in this book, had such a time: an entire year of tragic events piled one upon the other. She finds strength and reassurance from the imagined voices of her never-born children. Her path leads her to write about relentless attacks on her spirit. Along the way, she seeks solace from reading about others who have experienced similar loss. Rachael's family and friends join her on this exploratory journey. They consider the written works that influence her life. That intellectual exercise morphs into an emotional and spiritual adventure. Perhaps the imagined voices are real. Readers will decide. *A Time to Kill* John Grisham, 1993-03-01. Before *The Firm* and *The Pelican Brief* made him a superstar, John Grisham wrote this riveting story of retribution and justice. At last, it's available in a Doubleday hardcover edition. In this searing courtroom drama, best-selling author John Grisham probes the savage depths of racial violence as he delivers a compelling tale of uncertain justice in a small southern town, Clanton, Mississippi. The life of a ten-year-old girl is shattered by two drunken and remorseless young men. The mostly white town reacts with shock and horror at the inhuman crime.
