Shepherd, Diana Linn, 2014-07-29 Addressing the increasing number of culturally and linguistically diverse students in today's schools *Behavior and Classroom Management in the Multicultural Classroom* provides general and special education teachers with the knowledge, skills, and strategies to make the proactive, active, and reactive interventions necessary to create a positive classroom environment in which all students can learn. Going beyond the traditional rules and hierarchy of consequences and reinforcements, the book demonstrates how to incorporate basic classroom management plans, functional behavioral analysis, functional behavioral assessments, and behavioral intervention plans into the development and implementation of response to intervention and school-wide positive behavior support programs. In every chapter, the authors use real-world examples and case studies to explore how language and culture affect students' responses to behavior and classroom management. Unique chapters cover social skills training and collaborating with families of diverse students.
